NATIONAL SCIENCE FOUNDATION

Request for Information: National Ocean Biodiversity Strategy

AGENCY: National Science Foundation.

ACTION: Notice of request for information.

SUMMARY: The National Science Foundation, on behalf of the National Science and Technology Council Subcommittee on Ocean Science and Technology (SOST), requests input from all interested parties to inform the development of a National Ocean Biodiversity Strategy (Strategy), covering the genetic lineages, species, habitats, and ecosystems of United States (U.S.) ocean, coastal, and Great Lakes waters. The Strategy will strengthen the knowledge foundation and coordination on which federal agencies and other parties can align priorities and investments toward more cost-effective and successful solutions to the increasing challenges that require information on biodiversity and living resources. The Strategy will align research and monitoring on ocean life for safe and sustainable management, conservation, development, and climate solutions; and improve delivery of biodiversity information to support wise
