Correction

In the **Federal Register** of October 24, 2023, in FR Doc 2023-23429, on page 73040, in the third column, the following corrections are made:

1. On page 73040, in the third column, in the Dates caption, revise the **DATES** section to read as follows:

DATES: Comment Due Date: December 14, 2023.

2. On page 73040, in the third column, after the dates section, add a section to read as follows:

ADDRESSES: HUD invites interested persons to submit comments to the Office of the General Counsel, Regulations Division, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410-0500. Communications should refer to the above docket number and title and should contain the information specified in the "Request for Comments" section. There are two methods for submitting public comments.

1. *Electronic Submission of Comments.* Comments may also be submitted electronically through the Federal eRulemaking Portal at www.regulations.gov. HUD strongly

encourages commenters to submit comments electronically. Electronic submission of comments allows the commenter maximum time to prepare and submit a comment, ensures timely receipt by HUD, and enables HUD to make comments immediately available to the public. Comments submitted electronically through the website can be viewed by other commenters and interested members of the public. Commenters should follow instructions provided on that site to submit comments electronically.

2. *Submission of Comments by Mail.* Comments may be submitted by mail to the Regulations Division, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410-0500. Due to security measures at all Federal agencies, however, submission of comments by mail often results in delayed delivery. To ensure timely receipt, HUD recommends that comments be mailed at least two weeks in advance of the public comment deadline.

Aaron Santa Anna,

Associate General Counsel, Office of Legislation and Regulations.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on August 30, 2023 at 88 FR 59935.

A. Overview of Information Collection

Title of Information Collection: Housing Counseling Homeownership Initiative Notice of Funding Opportunity (HI NOFO).

OMB Approval Number: 2502–NEW.

OMB Expiration Date: None.

Type of Request: New collection.

Form Numbers: HUD–91045; HUD–424–B; HUD–50153; HUD–2880; SF–LLL; SF–424.

Description of the need for the information and proposed use: The HUD Office of Housing Counseling will use the information collected to objectively evaluate grant applicants on how well they will be able to meet the selection factors set forth in the new Homeownership Initiative Notice of Funding Opportunity, hereinafter HI–

NOFO, based on their history of performance and on their responses to questions. The collection will also serve to monitor selected applicants or grantees to assess compliance and effectiveness. This collection of information is required for the award of the HI NOFO grant program in furtherance of HUD’s mission to increase homeownership rates among historically underserved communities. The grant program looks to deliver measurable outcomes by awarding funds to HUD-approved Intermediaries, Multi-State Organizations, and State and Local government Housing Finance Agencies who have demonstrated experience providing culturally sensitive, linguistically appropriate pre- and post-purchase housing counseling. Selected agencies will provide independent, expert, and customized guidance to help underserved communities. The NOFO specific information is collected via the new form HUD–90145 (Homeownership Initiative Chart). All other forms that are part of this collection are mandatory OMB or HUD standard grant application forms.

This review is necessary to support HUD participating agencies who are seeking to increase the homeownership rate among historically underserved communities and stop or reverse the increasing homeownership gap resulting from the effects of the COVID–19 pandemic and resulting shortage of affordable homes within those communities. These agencies will provide targeted counseling, outreach to members of their communities as well as seek partnerships with other agencies to help individuals and families achieve sustainable homeownership, no matter their race, ethnicity, disability status, or other protected class.
