BILLING CODE 6705-01-P

FEDERAL MARITIME COMMISSION

[Docket No. 23-12]

Notice of Filing of Complaint and Assignment; 20230930-DK-Butterfly-1, Inc., Complainant v. MSC Mediterranean Shipping Company SA, Respondent

Served: November 28, 2023.

Notice is given that a complaint has been filed with the Federal Maritime Commission (the "Commission") by 20230930-DK-Butterfly-1, Inc. (the "Complainant") against MSC Mediterranean Shipping Company SA (the "Respondent"). Complainant states that the Commission has subject matter jurisdiction over the complaint pursuant to the Shipping Act of 1984, as amended, 46 U.S.C. 40101 *et seq.*, and has personal jurisdiction over Respondent as an "ocean common carrier" that has entered into a "service contract", as these terms are defined in the Shipping Act at 46 U.S.C. 40102.

Complainant is a corporation existing under the laws of New York with a mailing address in Union, New Jersey. Prior to filing a change of name certificate to its present name, the Complainant's corporate name was Bed Bath & Beyond Inc. For the purposes of the allegations of the complaint, the Complainant was a "shipper" as this term is defined by 46 U.S.C. 40102(23). Complainant identifies Respondent MSC Mediterranean Shipping Company SA as a company existing under the laws of Switzerland with a principal place of business located in Geneva, Switzerland and as a vessel-operating "ocean common carrier" as this term is defined by 46 U.S.C. 40102(18).

Complainant alleges that Respondent violated 46 U.S.C. 41102(c), 41102(d), 41104(a)(2), 41104(a)(10) and 46 CFR

545.5 regarding a failure to establish, observe, and enforce just and reasonable practices relating to receiving, handling, storing, and delivering property; a failure to provide service in the liner trade that is in accordance with a service contract; an unreasonable refusal to deal or negotiate; and retaliation against a shipper. Complainant alleges these violations arose from a condition on performance requiring the payment of extracontractual prices and surcharges, such as peak season surcharges, and amendments or premium rate addenda to service contracts prior to full performance of its service commitments; a failure to allocate space as agreed upon and instead, allocating space to shippers willing to pay higher freight prices; an unreasonable assessment of demurrage and detention charges during periods of congestion and shortages of equipment at ports; and a refusal to accommodate requests for a full or partial refund of demurrage and detention charges.

An answer to the complaint must be filed with the Commission within 25 days after the date of service.

The full text of the complaint can be found in the Commission's electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/23-12/>. This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding judge shall be issued by November 27, 2024, and the final decision of the Commission shall be issued by June 11, 2025.

Alanna Beck,

*Federal Register Alternate Liaison Officer,
Federal Maritime Commission.*

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[Docket No. CDC-2022-0116]

CDC Recommendations for Hepatitis C Testing Among Perinatally Exposed Infants and Children—United States, 2023

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: General notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC), within the Department of Health and Human Services (HHS), announces the availability of the final *CDC Recommendations for Hepatitis C Testing Among Perinatally Exposed Infants and Children—United States, 2023*.

DATES: The final document was published as an MMWR Reports & Recommendations on November 3, 2023.

ADDRESSES: The document may be found in the docket at www.regulations.gov, Docket No. CDC-2022-0116 and at https://www.cdc.gov/mmwr/volumes/72/rr/rr7204a1.htm?s_cid=rr7204a1_w.

FOR FURTHER INFORMATION CONTACT: Lakshmi Panagiotakopoulos, Centers for Disease Control and Prevention, 1600 Clifton Road NE, Mailstop U12-3, Atlanta, GA 30329. Telephone: 404-639-8000; Email: DVHpolicy@cdc.gov.

SUPPLEMENTARY INFORMATION: In 2021, CDC determined that *Recommendations*

for Hepatitis C Testing Among Perinatally Exposed Infants and Children—United States, 2023 constituted influential scientific information (ISI) that will have a clear and substantial impact on important public policies and private sector decisions. As such, the recommendations underwent peer review as required by Part II Section D of the HHS Information Quality Guidelines (<https://aspe.hhs.gov/hhs-guidelines-ensuring-maximizing-disseminated-information>). HHS developed these guidelines in accordance with the OMB issued Guidelines for Ensuring and Maximizing the Quality, Objectivity, Utility, and Integrity of Information Disseminated by Federal Agencies, 67 FR 8452 (Feb. 22, 2002) and the Information Quality Act Public Law 106-554, 515(a) (2000). CDC elected to use specialists in the field who were not involved in the development of the recommendations. CDC solicited nominations for reviewers from the American Academy of Family Physicians, American Academy of Pediatrics, American Association for the Study of Liver Diseases, American College of Obstetricians and Gynecologists, and the North American Society for Pediatric Gastroenterology, Hepatology & Nutrition. Six clinicians with expertise in hepatology, gastroenterology, internal medicine, infectious diseases, and/or pediatrics provided structured peer reviews. Specifically, CDC asked reviewers to focus their reviews on the following criteria:

- Methodology (studies included in the evidence review, methods used to assess the evidence, clarity of evidence findings, identification of limitations or uncertainties)
- Recommendations (reviewer agreement with CDC's conclusions, suggestions for clarifying recommendations)
- Potential impact and implementation (whether implementing recommendations would improve health outcomes, any resources or tools that would facilitate implementation)
- Other comments for CDC consideration

A list of peer reviewers and CDC's responses to peer review comments are available at CDC's Viral Hepatitis Influential Scientific Information web page at <https://www.cdc.gov/hepatitis/policy/isireview/index.htm>.

In addition, on November 22, 2022, CDC published a notice in the **Federal Register** (87 FR 71330) to obtain public
