**Chlorpyrifos; Amendment to Existing Stocks Provisions of Chlorpyrifos Cancellation Order for Certain Chlorpyrifos Products**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** On August 31, 2022, EPA announced its final cancellation order for 16 chlorpyrifos products, voluntarily requested by the registrants and accepted by the Agency, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This notice amends the existing stocks terms of that cancellation order with respect to one product Liberty Chlorpyrifos 4E registered by Liberty Crop Protection, LLC, and its supplemental distributor product, Vesper, registered by Innvictis Crop Care, LLC (Innvictis).

**ADDRESSES:** The docket for this action, identified under docket identification (ID) number EPA–HQ–OPP–2022–0223, is available online at <https://www.regulations.gov>. Additional instructions on visiting the docket, along with more information about dockets generally, is available at <https://www.epa.gov/dockets>.

**SUPPLEMENTARY INFORMATION:**

**I. General Information**

*Does this action apply to me?*

This action is directed to the public in general and may be of interest to a wide range of stakeholders including environmental, human health, and agricultural advocates; the chemical industry; pesticide users; and members of the public interested in the sale, distribution, or use of pesticides. Since others also may be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action.

**II. What action is the Agency taking?**

On August 31, 2022, EPA issued an order cancelling several chlorpyrifos products, including Liberty Chlorpyrifos 4E (EPA Reg. No. 89168–24). *See* 87 FR 53471 (August 31, 2022) (FRL–10138–01–OCSPP). The provisions for disposition of existing stocks laid out in Unit IV of that cancellation order prohibited all sale, distribution, and use of the cancelled chlorpyrifos products, “except for export consistent with FIFRA section 17, 7 U.S.C. 136o or for proper disposal.” These terms also apply to Vesper (EPA Reg. No. 89168–24–89391), which is a supplemental distributor product of Liberty Chlorpyrifos 4E. *See* 40 CFR 152.132(e).

Since that time, Adama has developed a return program agreement with EPA that facilitates the return of certain chlorpyrifos products to Adama. *See* Cancellation Order for Certain Chlorpyrifos Uses and Registrations, 88 FR 28541 (May 4, 2023) (FRL–10924–01–OCSPP). Adama has requested that EPA allow them to accept returns of existing stocks of Liberty Chlorpyrifos 4E (EPA Reg. No. 89168–24) and its supplemental distributor product, Vesper (EPA Reg. No. 89168–24–89391). To allow for the legal and orderly disposition of those products, EPA is amending the August 31, 2022 cancellation order to allow distribution of Liberty Chlorpyrifos 4E (EPA Reg. No. 89168–24), including its supplemental distributor product Vesper (EPA Reg. No. 89168–24–89391), consistent with the terms of Adama's revised return program agreement.

**III. Provisions for Disposition of Existing Stocks and Returning Products to Adama**

Adama previously requested, and EPA approved, the return of existing stocks of its own registrations that are in the hands of end users and distributors. At this time, the Agency is also allowing Adama to accept existing stocks of Liberty Chlorpyrifos 4E (EPA Reg. No. 89168–24) and Vesper (EPA Reg. No.

89168–24–89391). Existing stocks are those stocks of registered pesticide products that were (and still are) in the United States and packaged, labeled, and released for shipment prior to August 31, 2022.

The Liberty Chlorpyrifos 4E product and the Vesper product are only registered for use on food crops; therefore, use of existing stocks continue to be prohibited. Moreover, because sale and distribution of chlorpyrifos products for use on food and feed is inconsistent with the purposes of FIFRA, all sale and distribution of the Liberty Chlorpyrifos 4E product and the Vesper product discussed herein is prohibited, except for export consistent with FIFRA section 17 (7 U.S.C. 136o); proper disposal; or distribution consistent with the terms of the individual return program agreement EPA has approved for Adama. Adama's revised return program agreement was approved by the Agency on October 31, 2023. Adama was notified of the approval of their return program agreements on October 31, 2023.

Additional information regarding the revised chlorpyrifos return programs for Adama may be found in <https://www.regulations.gov/docket/EPA-HQ-OPP-2021-0523> and/or <https://www.regulations.gov/docket/EPA-HQ-OPP-2022-0223> or by contacting the registrants at Liberty and Innvictis (208) 296–1503 and Adama (866) 406–6262; [ordergroup@adama.com](mailto:ordergroup@adama.com).

Dated: November 8, 2023.

**FEDERAL MARITIME COMMISSION**

[Docket No. 23-12]

**Notice of Filing of Complaint and Assignment; 20230930-DK-Butterfly-1, Inc., Complainant v. MSC Mediterranean Shipping Company SA, Respondent**

Served: November 28, 2023.

Notice is given that a complaint has been filed with the Federal Maritime Commission (the "Commission") by 20230930-DK-Butterfly-1, Inc. (the "Complainant") against MSC Mediterranean Shipping Company SA (the "Respondent"). Complainant states that the Commission has subject matter jurisdiction over the complaint pursuant to the Shipping Act of 1984, as amended, 46 U.S.C. 40101 *et seq.*, and has personal jurisdiction over Respondent as an "ocean common carrier" that has entered into a "service contract", as these terms are defined in the Shipping Act at 46 U.S.C. 40102.

Complainant is a corporation existing under the laws of New York with a mailing address in Union, New Jersey. Prior to filing a change of name certificate to its present name, the Complainant's corporate name was Bed Bath & Beyond Inc. For the purposes of the allegations of the complaint, the Complainant was a "shipper" as this term is defined by 46 U.S.C. 40102(23). Complainant identifies Respondent MSC Mediterranean Shipping Company SA as a company existing under the laws of Switzerland with a principal place of business located in Geneva, Switzerland and as a vessel-operating "ocean common carrier" as this term is defined by 46 U.S.C. 40102(18).

Complainant alleges that Respondent violated 46 U.S.C. 41102(c), 41102(d), 41104(a)(2), 41104(a)(10) and 46 CFR

545.5 regarding a failure to establish, observe, and enforce just and reasonable practices relating to receiving, handling, storing, and delivering property; a failure to provide service in the liner trade that is in accordance with a service contract; an unreasonable refusal to deal or negotiate; and retaliation against a shipper. Complainant alleges these violations arose from a condition on performance requiring the payment of extracontractual prices and surcharges, such as peak season surcharges, and amendments or premium rate addenda to service contracts prior to full performance of its service commitments; a failure to allocate space as agreed upon and instead, allocating space to shippers willing to pay higher freight prices; an unreasonable assessment of demurrage and detention charges during periods of congestion and shortages of equipment at ports; and a refusal to accommodate requests for a full or partial refund of demurrage and detention charges.

An answer to the complaint must be filed with the Commission within 25 days after the date of service.

The full text of the complaint can be found in the Commission's electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/23-12/>. This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding judge shall be issued by November 27, 2024, and the final decision of the Commission shall be issued by June 11, 2025.
