<sup>4</sup> On August 26, 2022, Commerce published the final results of a changed circumstances review of MSG from Indonesia. Commerce found that PT. Daesang Ingredients Indonesia (PT. Daesang) is the successor-in-interest to PT. Miwon. See *Monosodium Glutamate from the Republic of Indonesia: Final Results of Changed Circumstances Review*, 87 FR 52506 (August 26, 2022). Because the effective date of this decision was during the POR, we continue to reference the respondent here as PT. Miwon. Cash deposits of estimated antidumping duties required pursuant to the final results of this review will be applied to PT. Daesang. Liquidation instructions for the POR will be issued for PT. Daesang/PT. Miwon.
