DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Administration for Children and Families Generic for Engagement Efforts (New Umbrella Generic)

AGENCY: Administration for Children and Families, United States Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Administration for Children and Families (ACF) at the United States Department of Health and Human Services (HHS) intends to request approval from the Office of Management and Budget (OMB) to establish a new umbrella generic clearance to request information while engaging individuals and groups who could provide valuable information to inform ACF programs and work, including but not limited to those who are served or have been served by ACF, those with expertise in ACF program areas, and individuals invested in the outcomes of ACF research and evaluation. These engagement activities often need to be conducted quickly, to allow for sufficient time to inform project direction and decision-making. Additionally, planning for engagement activities is most often on a quick timeline and the standard timeline to comply with a full request under the Paperwork Reduction Act (PRA) often inhibits the ability to collect information to inform these activities. Therefore, an umbrella generic is necessary to allow for quick turnaround requests for similar information collections related to these activities.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing OPREinfocollection@acf.hhs.gov.

Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The Executive Order (E.O.), Advancing Racial Equity and Support for Underserved Communities Through the Federal Government (E.O. 13985)¹ emphasizes consulting with communities that have been historically underserved by Federal policies and programs and those with lived experience² in ACF programs. The E.O. on Further Advancing Racial Equity and Support for Underserved Communities Through the Federal Government³ followed in 2023 and built on E.O. 13985, calling upon agencies to increase engagement with underserved communities and to “collaborate with OMB, as appropriate, to identify and develop tools and methods” to meet this goal. This generic mechanism is a tool that could directly address these EOs. Particularly many requirements outlined in Sec 3 and Sec 5 of the 2023 E.O.

Additionally, the Presidential Memorandum on Restoring Trust in Government through Scientific Integrity and Evidence-Based Policy Making,⁴ the Department of Health and Human Services (HHS) Strategic Plan FY 2022–2026,⁵ ACF’s Strategic Plan,⁶ and the ACF Evaluation Policy⁷ discuss community engagement and inclusion in research. Consistent with these guidance documents, and to ensure meaningful involvement with a variety of individuals with diverse experiences and perspectives, ACF often conducts active engagement activities to inform various efforts, including research and evaluation.
