Title: Decision Review Request: Higher-Level Review (VA Form 20-0996).

OMB Control Number: 2900-0862.

Type of Review: Revision of a currently approved collection.

Abstract: VA Form 20-0996, *Decision Review Request: Higher-Level Review* is used by a claimant to formally request a Higher-Level Review of an initial VA decision, in accordance with the Appeals Modernization Act. The information collected is used by VA to identify the issues which the claimant wishes to dispute in their request for a Higher-Level Review. Additionally, the information collected is used to schedule a telephonic informal conference, when requested.

This is being submitted as a revision due to an increase in the burden hours based on an increase in the number of respondents using this form. There were minor changes made to the instructions to make the instructions easier to understand and the requirement to sign in ink was removed. Minor changes were also made to the Optional Informal Conference and Issues for Higher-Level Review sections to make these sections easier for claimants to understand and complete.

Affected Public: Individuals and households.

Estimated Annual Burden: 49,650 hours.

Estimated Average Burden per Respondent: 15 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 198,600.

By direction of the Secretary.
