### SUPPLEMENTARY INFORMATION:

#### Background

The purpose of this rule is to make a minor administrative correction to the clause at 1252.239–92, Information and Communication Technology Accessibility Notice, paragraph (b). This revision corrects an erroneous reference to a separate TAR clause.

#### Discussion and Analysis

TAR part 1252, 1252.239–92, Information and Communication Technology Accessibility Notice, paragraph (b), is revised to correct a typographical error to a reference to another TAR clause. The reference in paragraph (b) to the clause at 1252.239–81, Information and Communication Technology Accessibility, is revised to reference the clause at 1252.239–93, Information and Communication Technology Accessibility. The clause at 1252.239–81 is titled Cloud Identification and Authentication (Organizational Users) Multi-Factor Authentication, which is not the correct reference. The clause at 1252.239–93 is titled Information and Communication Technology Accessibility. The clause at 1252.239–93 is the clause that paragraph (b) of 1252.239–92 intended to reference.

#### Notice and Comment

This rule makes administrative changes that do not require prior notice and an opportunity for comment or a delayed effective date, consistent with 41 U.S.C. 1707, 48 CFR 1.301, and 48 CFR 1.501–3.

The statutes at 41 U.S.C. 1707(a) specifies a required comment period for procurement policies, regulations, procedures and forms. Specifically, a procurement policy, regulation, procedure, or form may not take effect until 60 days after it is published for public comment if it relates to the expenditure of funds and either (i) has a significant effect beyond the internal operating procedures of the agency issuing the action; or (ii) has a significant cost or administrative impact on contractors or offerors. An exception can be made if there are compelling circumstances for an earlier effective date. The statutes at 41 U.S.C. 1707(b) also requires agencies to publish proposed procurement regulations in the **Federal Register** for a comment period of at least 30 days unless the agency waives those requirements pursuant to 41 U.S.C. 1707(d).
