The Board proposed to revise the FR LL–12 by clearing two previously uncleared recordkeeping and disclosure requirements: (1) In order to utilize the exception at 12 CFR 238.86 related to employees in non-policymaking roles, an SLHC must maintain a list of all policymaking positions and review this list annually; and (2) A person who is not subject to the requirement to seek an exemption from the Board because their criminal offenses are de minimis must disclose the conviction or pretrial diversion or similar program to all insured depository institutions and other banking organizations the affairs of which he or she participates. The comment period for this notice expired on November 27, 2023. The Board did not receive any comments. The revisions will be implemented as proposed.
