## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–99247; File No. SR–CboeBZX–2023–063]

### Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Order Instituting Proceedings To Determine Whether To Approve or Disapprove a Proposed Rule Change To Adopt an Alternative to the Minimum \$4 Price Requirement for Companies Seeking To List Tier II Securities on the Exchange

December 27, 2023.

On September 19, 2023, Cboe BZX Exchange, Inc. (“BZX” or the “Exchange”) filed with the Securities

and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> a proposed rule change to adopt an alternative to the minimum \$4 price requirement for companies seeking to list Tier II securities on the Exchange. The proposed rule change was published for comment in the **Federal Register** on October 2, 2023.<sup>3</sup> On November 6, 2023, pursuant to Section 19(b)(2) of the Act,<sup>4</sup> the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.<sup>5</sup> The Commission received two comments letters on the proposed rule change.<sup>6</sup> This order institutes proceedings under Section 19(b)(2)(B) of the Act<sup>7</sup> to determine whether to approve or disapprove the proposed rule change.

#### I. Summary of the Proposed Rule Change<sup>8</sup>

The Exchange proposes to adopt an alternative to the current minimum \$4 price requirement for companies seeking to list securities on Tier II of the Exchange that are excluded from the definition of a “penny stock” under Exchange Act Rule 3a51–1(g) (the “Penny Stock Rule”).<sup>9</sup> Specifically, under proposed Exchange Rule 14.9(b)(1)(A)(ii), a company whose security maintains a \$2 or \$3 closing price for at least five consecutive business days prior to approval would qualify for listing as a Tier II security, if among other things, it meets the net tangible assets or average revenue tests of the alternative penny stock exclusion set forth in Exchange Act Rule 3a51–1(g)<sup>10</sup> and meets all existing listing

standards except for the \$4 price requirement. Such a company must instead have a minimum \$3 price if it qualifies under the \$5 million equity<sup>11</sup> or \$750,000 net income alternatives<sup>12</sup> or a minimum \$2 price if it qualifies under the \$50 million market value of listed securities alternative.<sup>13</sup> In addition, a company qualifying under the proposed standard must have either: (a) net tangible assets in excess of \$2 million, if the company has been in continuous operation for at least three years; or (b) net tangible assets in excess of \$5 million, if the company has been in continuous operation for less than three years; or (c) average revenue of at least \$6 million for the last three years. For this purpose, net tangible assets or revenue must be demonstrated on the company’s most recently filed audited financial statements, satisfying the requirements of the Commission, and which are dated less than 15 months prior to the date of listing.<sup>14</sup>

As proposed under new Interpretation and Policies .01(a) to Exchange Rule 14.9, an Exchange-listed security could become subject to the Penny Stock Rule following initial listing if it no longer meets the tangible assets or average revenue tests of the alternative exclusion and does not qualify for another exclusion under the penny stock rules. Further, unlike securities listed under the Exchange’s existing initial standards, which have a blanket exclusion from the Penny Stock Rule, broker-dealers that effect recommended transactions in securities that originally qualified for listing under the Exchange’s alternative price standard would, among other things, under Exchange Act Rule 3a51–1(g), need to

applying to list under the alternative standard. See proposed Exchange Rule 14.9(b)(2)(B). Under the Market Value of Listed Securities Standard, a company would need to achieve, among other things: (A) market value of listed securities of at least \$50 million (current publicly traded issuers must meet this requirement and the price requirement for 90 consecutive trading days prior to applying for listing if qualifying to list only under the market value of listed securities standard); (B) stockholders’ equity of at least \$4 million; and (C) market value of publicly held shares of at least \$15 million. The Exchange proposes to revise Rule 14.9(b)(2)(B) in order to make it consistent with the proposal. In particular, Rule 14.9(b)(2)(B)(i) would be revised to delete the specific reference to \$4 bid price requirement, since an issuer seeking to initially list its securities under the Market Value of Listed Securities Standard using the proposed alternative price requirement would have to maintain a closing price of at least \$2 per share for 90 consecutive trading days.

<sup>11</sup> See Exchange Rule 14.9(b)(2)(A).

<sup>12</sup> See Exchange Rule 14.9(b)(2)(C).

<sup>13</sup> See proposed Exchange Rule 14.9(b)(2)(B).

<sup>14</sup> The Exchange states that the proposed rule adopts the 15-month requirement to assure consistency with the timing requirements contained in Exchange Act Rule 3a51–1(g).

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b–4.

<sup>3</sup> See Securities Exchange Act Release No. 98532 (Sept. 26, 2023) 88 FR 67852.

<sup>4</sup> 15 U.S.C. 78s(b)(2).

<sup>5</sup> See Securities Exchange Act Release No. 98860, 88 FR 77647 (Nov. 13, 2023). The Commission designated December 31, 2023 as the date by which the Commission shall approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change.

<sup>6</sup> Comments received on the proposed rule change are available at: <https://www.sec.gov/comments/sr-cboebzx-2023-063/sr-cboebzx2023063.htm>.

<sup>7</sup> 15 U.S.C. 78s(b)(2)(B).

<sup>8</sup> For a full description of all aspects of the proposed rule change, please see the Notice, *supra* note 3.

<sup>9</sup> 17 CFR 240.3a51–1(g).

<sup>10</sup> See 17 CFR 240.3a51–1(g). A company seeking to qualify under only the Market Value of Listed Securities Standard would, among other things, also be required to maintain for 90 consecutive trading days the market value of its listed securities at \$50 million and the \$2 price requirement prior to
