

federal land administered by the Bureau of Indian Affairs.

The EA contains Commission staff's analysis of the potential environmental effects of developing and maintaining the Coal Creek WMA by GRDA and cooperatively with the Oklahoma Department of Wildlife Conservation to provide habitat for migratory birds and other wildlife through specific habitat restoration and management measures, and concludes that the proposed amendment, with appropriate environmental protective measures, would not constitute a major federal action that would significantly affect the quality of the human environment.

The EA may be viewed on the Commission's website at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number (P-1494) in the docket number field to access the document.
