## DEPARTMENT OF THE INTERIOR

### National Indian Gaming Commission

#### 25 CFR Part 575

#### Annual Adjustment of Civil Monetary Penalty To Reflect Inflation

**AGENCY:** National Indian Gaming Commission.

**ACTION:** Final rule.

**SUMMARY:** In compliance with the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (the Act) and Office of Management and Budget (OMB) guidance, the National Indian Gaming Commission (NIGC or Commission) is amending its civil monetary penalty rule to reflect an annual adjustment for inflation in order to improve the penalty's effectiveness and maintain its deterrent effect. The Act provides that the new penalty level must apply to penalties assessed after the effective date of the increase, including when the

penalties whose associated violation predate the increase.

#### DATES:

*Effective date:* January 17, 2024.

*Applicability date:* This rule is applicable beginning on January 15, 2024.

#### FOR FURTHER INFORMATION CONTACT:

Armando J. Acosta, Senior Attorney, Office of General Counsel, National Indian Gaming Commission, at (202) 632-7003; fax (202) 632-7066 (not toll-free numbers).

#### SUPPLEMENTARY INFORMATION:

##### I. Background

On November 2, 2015, the President signed into law the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Sec. 701 of Pub. L. 114-74). Beginning in 2017, the Act requires agencies to make annual inflationary adjustments to their civil monetary penalties by January 15th of each year, in accordance with annual OMB guidance.

##### II. Calculation of Annual Adjustment

In December of every year, OMB issues guidance to agencies to calculate the annual adjustment. According to OMB, the cost-of-living adjustment multiplier for fiscal year 2024 is 1.03241, based on the Consumer Price Index for the month of October 2023, not seasonally adjusted.

Pursuant to this guidance, the Commission has calculated the annual adjustment level of the civil monetary penalty contained in 25 CFR 575.4 ("The Chairman may assess a civil fine, not to exceed \$61,983 per violation, against a tribe, management contractor, or individual operating Indian gaming for each notice of violation . . ."). The 2024 adjusted level of the civil monetary penalty is \$63,992 (\$61,983 × 1.03241).

##### III. Regulatory Matters

###### Regulatory Planning and Review

This final rule is not a significant rule under Executive Order 12866.

(1) This rule will not have an effect of \$100 million or more on the economy or will not adversely affect, in a material way, the economy, productivity, competition, jobs, the environment, public health or safety, or state, local, or tribal governments or communities.

(2) This rule will not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency.

(3) This rule does not involve entitlements, grants, user fees, or loan programs or the rights or obligations of recipients.

(4) This regulatory change does not raise novel legal or policy issues.

#### *Regulatory Flexibility Act*

The Commission certifies that this rule will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) because the rule makes annual adjustments for inflation.

#### *Small Business Regulatory Enforcement Fairness Act*

This final rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. It will not result in the expenditure by state, local, or tribal governments, in the aggregate, or by the private sector of \$100 million or more in any one year. The rule will not result in a major increase in costs or prices for consumers, individual industries, federal, state, or local government agencies, or geographic regions. Nor will this rule have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of the U.S.-based enterprises to compete with foreign-based enterprises.

#### *Unfunded Mandates Reform Act*

This final rule does not impose an unfunded mandate of more than \$100 million per year on state, local, or tribal governments or the private sector. The rule also does not have a significant or unique effect on state, local, or tribal governments or the private sector. Therefore, a statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

#### *Takings*

Under the criteria in Executive Order 12630, this final rule does not affect individual property rights protected by the Fifth Amendment nor does it involve a compensable “taking.” Thus, a takings implication assessment is not required.

#### *Federalism*

Under the criteria in Executive Order 13132, this final rule has no substantial direct effect on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government.

#### *Civil Justice Reform*

This final rule complies with the requirements of Executive Order 12988. Specifically, this rule has been reviewed

to eliminate errors and ambiguity and written to minimize litigation. It is written in clear language and contains clear legal standards.

#### *Consultation With Indian Tribes*

In accordance with the President’s memorandum of April 29, 1994, *Government-to-Government Relations with Native American Tribal Governments*, Executive Order 13175 (59 FR 22951, November 6, 2000), the Commission has determined that consultations with Indian gaming tribes is not practicable, as Congress has mandated that annual civil penalty adjustments in the Act be implemented no later than January 15th of each year.

#### *Paperwork Reduction Act*

This final rule does not affect any information collections under the Paperwork Reduction Act.

#### *National Environmental Policy Act*

This final rule does not constitute a major federal action significantly affecting the quality of the human environment.

#### *Information Quality Act*

In developing this final rule, the Commission did not conduct or use a study, experiment, or survey requiring peer review under the Information Quality Act (Pub. L. 106–554).

#### *Effects on the Energy Supply*

This final rule is not a significant energy action under the definition in Executive Order 13211. A Statement of Energy Effects is not required.

#### *Clarity of This Regulation*

The Commission is required by Executive Orders 12866 and 12988 and by the Presidential Memorandum of June 1, 1998, to write all rules in plain language. This means that each rule that the Commission publishes must:

- (a) Be logically organized;
- (b) Use the active voice to address readers directly;
- (c) Use clear language rather than jargon;
- (d) Be divided into short sections and sentences; and
- (e) Use lists and tables wherever possible.

#### *Required Determinations Under the Administrative Procedure Act*

In accordance with the Act, agencies are to annually adjust civil monetary penalties without providing an opportunity for notice and comment, and without a delay in its effective date. Therefore, the Commission is not required to complete a notice and comment process prior to promulgation.
