SUPPLEMENTARY INFORMATION:
Description: On September 29, 2023, FYSB awarded funding for the first time to Runaway and Homeless Youth-Prevention Demonstration Program (RHY-PDP) projects to design and deliver community-based demonstration initiatives to prevent youth from experiencing homelessness. Through the development and coordination of partnerships with youth and young adults, community organizations, and private and public agencies, the RHY-PDP grantees will: (1) design and develop a comprehensive community-based prevention plan to prevent youth homelessness; (2) identify young people at risk of experiencing homelessness; and (3) implement robust, holistic prevention services tailored for youth and young adults to respond to the diverse needs of youth who are at risk

of homelessness and their families. The RHY-PDP has two phases with the first phase serving as a 6-month timeline for grant recipients to develop and submit a comprehensive prevention plan to prevent youth homelessness.

The Prevention Plans can include:

- Grantee definition of prevention
- Summary of risk and protective factors for youth experiencing homelessness
- How grantees will identify at risk youth to include existing data to assist in identification
- Referral strategies for youth
- Explanation of the process of how youth with lived experience and community partners co-designed the prevention plan
- List of prevention interventions
- All related goals and performances measures planned
- List of community partners and their roles.

FYSB will utilize the Prevention Plans to provide technical assistance to grantees, as needed, and will post the Prevention Plans to the FYSB website for grantees’ peer-to-peer learning.

Respondents: All grant recipients that receive an RHY-PDP grant for the prevention demonstration.

Total Burden Estimates

FYSB awarded 11 grants in September 2023 and anticipates awarding a second cohort next year. The number of respondents reflects a potential second cohort of grant recipients that would also be required to submit the Prevention Plan.

SUPPLEMENTARY INFORMATION:

Description: States, including the District of Columbia, tribes, tribal organizations, and U.S. territories applying for LIHEAP block grant funds must, prior to receiving federal funds, submit an annual application (Model Plan) that meets the LIHEAP statutory and regulatory requirements. In addition to the Model Plan, grant recipients are also required to complete the Mandatory Grant Application, SF-424—Mandatory, which is included as the first section of the Model Plan.

The LIHEAP Model Plan is an electronic form and is submitted to ACF/OCS through the On-Line Data Collection (OLDC) system within GrantSolutions, which is currently being used by all LIHEAP grant recipients to submit other required LIHEAP reporting forms. To reduce the reporting burden, all data entries from each grant recipient’s prior year’s submission of the Model Plan in OLDC are saved and re-populated into the form for the following fiscal year’s application.

OCS is requesting the current LIHEAP Model Plan form to be extended through August 31, 2024. The currently approved form and justification package can be reviewed here: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202009-0970-011.

OCS proposes the following changes to the LIHEAP Model Plan form beginning with FY 2025 reporting effective September 1, 2024:

SF-424 Model Plan

- *4a:* Change from “Federal Entity Identifier to “Unique Entity Identifier (UEI).”
- *7b and c:* Remove UEI is requested in 4a.
- *7f:* Add after current language “(This person will be listed on Notice of Funding Awards and on the U.S.

Department of Health and Human Services’ LIHEAP contact list web page)”

- Remove Prefix, Suffix, Middle Name and Organizational Affiliation.
 - *8a:* Remove the “a” after 8 “Type of Applicant”
 - *Add:* 8a Is the applicant a Tribal Consortium?
 - *Add:* 8b If yes, please attach at least one the following documentation:
 - (1) Current State-Tribe Agreement between their state and the Consortium, signed by the State Chief Executive Officer (such as a Governor or the delegate) and the Consortium President;
 - (2) Consortium letter listing the Tribes and signed by the elected Tribal Chief or President of each Tribe in the Consortium and signed by the Consortium President;
 - (3) A current resolution letter from each tribe in the Consortium, signed by the elected Tribal Chief or President of that Tribe. Each resolution letter needs to state that the Consortium has the Tribes’ permission to apply for, and administer, LIHEAP on their behalf; needs to designate a time period for the permission or until rescinded or revoked.
 - *8b:* Remove, not utilized.
 - *9:* Remove “Name of Federal Agency”—not used.
 - *13:* Change to “CONGRESSIONAL DISTRICTS OF APPLICANT”
 - Eliminate 13a and b.—Already answered in #7; and Eliminate “Attach an additional list of Program/Project Congressional Districts, if needed.”
 - *15a and b:* Remove.
 - *17:* At the end of the question, change “explanation” to “If Yes, explain.”

Section 1—Program Components

Introduction: Remove reference to grant recipient filing abbreviated plan. LIHEAP does not use abbreviated plans any longer.

- *1.1 Crisis assistance:* Create one question for “Summer crisis assistance,” one question for “Winter crisis assistance,” and one for “Year-round assistance.” We are receiving increase data request to understand the type of crisis programs provided.
 - *1.2:*
 - Add a data entry column and provide the breakdown of funding from the previous year’s plan. This information is useful for the data dashboard.
 - Add language for “Tribal grant recipients: direct-grant tribes, tribal organizations, or territories with allotments of \$20,000 or less may use for planning and administration up to 20% of the funds payable. Grant

recipients that are direct-grant tribes, tribal organizations, or territories with allotments over \$20,000 may use for planning and administration purposes up to 20% of the first \$20,000 (or \$4,000) plus 10% of the funds payable that exceeds \$20,000. Any administrative costs in excess of these limits must be paid from non-Federal sources.”

- Change “Crisis Assistance” to “Summer crisis assistance,” one question for “Winter crisis assistance,” and one for “Year-round assistance.”
 - *1.4:*
 - Remove Other and entire column. All allowable options are listed, other is not applicable.
 - Insert “at least” before the word “one” in two places in this question. The edited question would be “Do you consider households categorically eligible if at least one household member receives at least one of the following categories of benefits in the left column below?”
 - *1.4a—*Add a text box “Provide your definition of categorical eligibility. Please explain how households are categorically eligible (*i.e.*, do all household members need to receive the benefits or just one member, is there a data exchange in place?) and how categorical eligibility streamlines the LIHEAP application process.” This will ensure grant recipients understand categorical eligibility and answer the question appropriately.
 - If 1.4 is answered no, do not allow the table to be completed. Caused data inconsistencies in the data dashboard and requires manual review.
 - *1.7:*
 - Hyperlink the word “nominal” to a description of the word: Nominal benefits are LIHEAP payments over \$20 made to SNAP households with an energy burden that allow the household to claim the SNAP “heating/cooling standard utility allowance” (SUA).
 - *1.8—*Add “Other—Describe.” Grant recipients indicated there are exceptions and this box will allow those exceptions to be described and understood more clearly.
 - *1.9—*Remove SNAP and WIC as they cannot be counted as income.
 - *Add:* 1.10 Do you have an online application process (Yes/No)?
 - *Add:* 1.10a If yes, describe the type of online application (Select all boxes that apply)
 - A PDF version of the application is available online and can be downloaded, filled out, and mailed in for processing.
 - A state-wide online application that allows a customer to complete data

entry and submit an application electronically for processing.

- One or more locally available online applications that allows a customer to complete data entry and submit an application electronically for processing.

- Online application that is also mobile friendly.

- 1.12 Do you or any of your subrecipients require in person appointments in order to apply (Yes/No)? If yes, please provide more information.
