AGENCY: Office of the United States Trade Representative (USTR).

ACTION: Notice.

As a result of these changes, USTR is making a conforming amendment to one previously reinstated exclusion associated with the Section 301 investigation of China Acts, Policies and Practices Related to Technology Transfer, Intellectual Property, and Innovation.

DATES: The conforming amendment in the Annex to this notice is applicable as of January 1, 2024. Customs and Border Protection (CBP) will issue instructions on entry guidance and implementation.

SUPPLEMENTARY INFORMATION:

A. Background

Effective January 1, 2024, the USITC implemented certain changes to ten-digit statistical reporting categories of the HTSUS in accordance with its responsibility under section 484(f) of the Tariff Act of 1930, 19 U.S.C. 1484(f). One of the previously reinstated exclusions in the Section 301 investigation of China’s Acts, Policies and Practices Related to Technology Transfer, Intellectual Property, and

Innovation, as set out at 87 FR 17380 (March 28, 2022), is affected by the amended statistical reporting categories.

B. Conforming Amendment To Reinstated Exclusion Extension

To maintain the pre-existing product coverage of the China 301 actions, one conforming amendment to the corresponding note provision in the HTSUS is required. In particular, the Annex to this notice makes one conforming amendment to U.S. note 20(ttt)(iii)(27) to subchapter III of chapter 99 of the HTSUS, as set out in the Annex at 87 FR 17380 (March 28, 2022).

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2010-0027]

Hours of Service of Drivers: WestRock Application for Renewal of Exemption

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), Department of Transportation (DOT).

ACTION: Notice of provisional renewal of exemption; request for comments.

SUMMARY: FMCSA announces its decision to provisionally renew the exemption currently held by WestRock from the hours-of-service (HOS) regulations that prohibit drivers from operating property-carrying commercial motor vehicles (CMVs) after 14 hours on duty and require 10 hours off duty before resuming driving. FMCSA renews this limited exemption for WestRock’s shipping department employees and occasional substitute

commercial driver’s license (CDL) holders who transport paper mill products short distances on a public road between its shipping and receiving locations. The exemption is restricted to a specific route, measuring less than 300 feet in one direction, in Chattanooga, Tennessee. This exemption will allow these individuals to occasionally work up to 16 consecutive hours and be allowed to return to work with less than the mandatory 10 consecutive hours off duty. The Agency previously determined that the CMV operations of WestRock’s drivers under this exemption would likely maintain a level of safety equivalent to or greater than the level of safety that would be achieved in the absence of the exemption. The exemption renewal is for 5 years.

DATES: This renewed exemption is effective from April 17, 2024, and expires on April 16, 2029. Comments must be received on or before February 20, 2024.
