SUPPLEMENTARY INFORMATION:**Full Text of Announcement****I. Funding Opportunity Description**

Purpose of Program: The purposes of this program are to (1) help address State-identified needs for personnel preparation in special education, early intervention, related services, and regular education to work with children, including infants, toddlers, and youth with disabilities; and (2) ensure that those personnel have the necessary skills and knowledge, derived from practices that have been determined through scientifically based research, to be successful in serving those children.

Priority: This competition includes one absolute priority. In accordance with 34 CFR 75.105(b)(2)(v), the absolute priority is from allowable activities specified in the statute (see sections 662 and 681 of the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1462 and 1481)).

Absolute Priority: For FY 2024 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

Preservice Development Grants at Historically Black Colleges and Universities, Tribally Controlled Colleges and Universities, and Other Minority Serving Institutions To Diversify Personnel Serving Children With Disabilities.

Background:

Special education and related services personnel are at the top of the critical shortage list in educational systems in nearly every State, especially in urban areas (U.S. Department of Education, 2023b; American Speech Language Hearing Association, n.d.; National Coalition on Personnel Shortages in Special Education and Related Services, n.d.). In a national survey of Part C State coordinators, 98 percent of respondents indicated that they had shortages of personnel to work in their early intervention system (IDEA Infant and Toddler Coordinators Association, 2021). These shortages impede the ability of children with disabilities to reach their full potential (Center on Great Teachers and Leaders, 2023a). Compounding the issue is the critical shortage of early intervention, special
