

for an exemption from sections 2(a)(32), 5(a)(1), 22(d), and 22(e) of the Act and rule 22c-1 under the Act, under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and 17(a)(2) of the Act, and under section 12(d)(1)(f) of the Act for an exemption from sections 12(d)(1)(A) and 12(d)(1)(B) of the Act.⁴ The Prior Order permits Applicants to operate a novel type of actively-managed exchange-traded fund (“ETF”) that is not required to disclose its full portfolio holdings on a daily basis (each, a “Fund”). Rather, pursuant to the Prior Order, each Business Day⁵ a Fund publishes a basket of securities and cash that, while different from the Fund’s portfolio, is designed to closely track its daily performance (the “Portfolio Reference Basket”).

2. Under the Prior Order, a Fund may not borrow for investment purposes or hold short positions. Applicants now seek to amend the Prior Order to permit a Fund to engage in short selling, but only in the same types of instruments that a Fund is permitted to hold as long positions in its actual portfolio (“Portfolio Instruments”).⁶

II. The Application

A. Applicants’ Proposal

3. Upon amending the Prior Order, the Portfolio Reference Basket will be constructed in the same manner as described in the Prior Order, except that it will include a first portion corresponding to the long positions in the Fund’s actual portfolio and a second portion corresponding to the short positions in the Fund’s actual portfolio. Applicants represent that, in the aggregate, the Portfolio Reference Basket will provide an arbitrage tool to allow market participants to price and hedge their positions in the ETF shares.

4. As described in the application, a Fund will disclose publicly on its website the respective aggregate

submitted with the Commission (File No. 812-14625), as amended and restated, and filed with the Commission on October 23, 2019 (the “First Application”), as modified according to the application for an amended order subsequently submitted with the Commission (File No. 812-15162), as amended and restated, and filed with the Commission on January 19, 2021, remain applicable to the operation of the Funds and will apply to any Funds relying on the Amended Order.

⁴ The relief granted under section 12(d)(1)(f) of the Act for an exemption from sections 12(d)(1)(A) and 12(d)(1)(B) of the Act (the “Section 12(d)(1) Relief”), and relief under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and 17(a)(2) of the Act relating to the Section 12(d)(1) Relief, expired on January 19, 2022. weightings of the long and short positions in the Fund’s actual portfolio. In this manner, Applicants represent that market participants will understand the overall long and short exposures in the Fund’s actual portfolio even though the weightings of individual long and short positions in the Portfolio Reference Basket will be different than the weightings of those individual long and short positions within the Fund’s actual portfolio. Applicants also represent that although short positions cannot be transferred within the Fund’s creation basket, long positions and cash amounts representing the net value of short positions would be included in the Fund’s creation basket, just as with ETFs relying on Rule 6c-11.

B. Considerations Relating to the Requested Relief

5. Applicants represent that they do not believe that the use of short positions related to the Portfolio Instruments will give rise to any new policy concerns, stating that the disclosure of short positions will not change the ability of arbitrageurs and market participants to recognize, value, and execute on arbitrage opportunities. Applicants represent that the inclusion of short positions in the actual portfolio and disclosure of those short positions in the Portfolio Reference Basket will not disrupt the correlation between the performance of the Portfolio Reference Basket and the actual portfolio. Applicants also believe that the pricing of short positions in the Portfolio Instruments should be as readily ascertainable as the pricing of long positions in those same Portfolio Instruments because the pricing of the short positions will reflect the liquidity and pricing transparency of the related Portfolio Instruments. As noted above, moreover, Applicants have committed that the Funds would publish daily the aggregate short exposure of the actual portfolio and the aggregate long exposure of the actual portfolio so that market participants will have even more information about the ways in which the positions in the Portfolio Reference Basket relate to the actual portfolio.

III. Requested Exemptive Relief

Applicants believe that the Prior Order, as amended, continues to meet the relevant standards for relief pursuant to section 6(c) of the Act for an exemption from sections 2(a)(32), 5(a)(1), 22(d), and 22(e) of the Act and rule 22c-1 under the Act, and under sections 6(c) and 17(b) of the Act for an

exemption from sections 17(a)(1) and 17(a)(2) of the Act.⁷

IV. Applicants’ Conditions

Applicants agree that the Amended Order granting the requested relief will be subject to all of the conditions in the Prior Order.
