SUPPLEMENTARY INFORMATION: IMLS is the primary source of federal support for the nation’s libraries and museums. We advance, support, and empower America’s museums, libraries, and related organizations through grant making, research, and policy

development. To learn more, visit www.imls.gov.

Current Actions: The purpose of this collection is to administer the Collections Assessment for Preservation Program, a special initiative of the National Leadership Grants for Museums program. The goal of the special initiative is to provide an affordable and accessible program for small to midsize museums to help them plan for the conservation of the collections entrusted to them by the public for preservation. Through this program, IMLS aims to (1) increase the capacity of museums to understand the conservation needs of their collections and the building environments in which they are housed; (2) strengthen the knowledge of museum personnel about the care and conservation of collections; and (3) position museums to plan strategically for the long-term care and conservation of their collections. This action is to seek clearance of the Collections Assessment for Preservation Program Notice of Funding Opportunity.

SUPPLEMENTARY INFORMATION:

I. Background

IMLS is the primary source of federal support for the nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant-making, research, and policy development. Our vision is a nation where museums and libraries work together to work together to transform the lives of individuals and communities. To learn more, visit www.imls.gov.

II. Current Actions

This notice proposes to renew the clearance of *Museums for All Registration and Report Forms*. The purpose of this collection is to support the administration of *Museums for All*, a program designed to increase access to museums for underserved audiences by inviting museums to allow Electronic Benefit Transfer card holders to receive reduced-price admission to their facilities. This information collection will obtain registration data from participating museums, such as institution name, mailing address, web address, operating budget, and attendance, as well as contact information for the staff members

administering the program. Additional reporting information, such as program attendance, sponsor involvement, partnerships, and feedback regarding experience with the program, will be collected quarterly to assess the implementation of the program components, the efficacy of program materials, and the impact of the program.
