**SUPPLEMENTARY INFORMATION:** This is a request for approval of a new collection. An agency may not conduct, or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Public comments were previously requested via the **Federal Register** on July 31, 2023, during a 60-day comment period (88 FR 16195). This notice allows for an additional 30 days for public comments. Supporting documents, which explain in detail the information that the EPA will be collecting, are available in the public docket for this ICR. The docket can be viewed online at [www.regulations.gov](http://www.regulations.gov) or in person at the EPA Docket Center, WJC West, Room 3334, 1301 Constitution Ave. NW, Washington, DC. The telephone number for the Docket Center is 202-566-1744. For additional information about EPA's public docket, visit <http://www.epa.gov/dockets>.

**Abstract:** Indoor AirPlus is aimed at forming public-private partnerships that help prevent various forms of indoor air pollution and their associated health risks. This ICR covers information collection activities under the EPA's newly revised Indoor AirPlus program. Indoor AirPlus is a voluntary certification labeling program that represents value-added marketability that home builders, verification companies, and oversight organizations can use to distinguish themselves from competition, while homeowners see a healthier and safer home with improved indoor air quality (IAQ) by requiring construction practices and product specifications that minimize exposure to airborne pollutants and contaminants.
