

overlooking the Missouri River. In June and July of 1970, Dr. Patricia J. O'Brien of Kansas State University conducted excavations of three of the mounds (Mounds 1, 2, and 3) with staff and students at the Great Plains Archaeological Field School. The resulting assemblage removed from the mounds were processed and cataloged by field school students during the field school then were taken to Kansas State University for analysis, reporting, and curation, where it has since remained. The human remains consist of two human teeth removed from separate mound excavations. One of the teeth is a maxillary first premolar from Mound 2, identified as from a 9-to-12 year-old subadult of indeterminate sex. The second tooth is fragmented pieces of crown, so no aging was possible. The 360 associated funerary objects are one lot debitage (approximately 4,859 pieces), 147 worked chert, 49 hematite, six limonite, 78 stone tools (16 points, three abraders, five graters, three choppers, six hammerstones, eight bifaces, three spokeshaves, three hoe fragments, three scrapers, one polished quartzite slab, and 27 miscellaneous stone tools), 62 ceramic sherds, 13 miscellaneous animal bones, two rocks, one charcoal sample, and one soil core/sample.

Cultural Affiliation

The human remains and associated funerary objects in this notice are connected to one or more identifiable earlier groups, tribes, peoples, or cultures. There is a relationship of shared group identity between the identifiable earlier groups, tribes, peoples, or cultures and one or more Indian Tribes or Native Hawaiian organizations. The following types of information were used to reasonably trace the relationship: geographical and historical information.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate Indian Tribes and Native Hawaiian organizations, Kansas State University has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- The 360 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a relationship of shared group identity that can be reasonably

traced between the human remains and associated funerary objects described in this notice and The Osage Nation.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the Responsible Official identified in **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after March 18, 2024. If competing requests for repatriation are received, Kansas State University must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. Kansas State University is responsible for sending a copy of this notice to the Indian Tribes identified in this notice.

This notice was submitted before the effective date of the revised regulations (88 FR 86452, December 13, 2023, effective January 12, 2024). As the notice conforms to the mandatory format of the **Federal Register** and includes the required information, the National Park Service is publishing this notice as submitted.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: February 7, 2024.

BILLING CODE 4312-52-P

INTERNATIONAL TRADE COMMISSION**Notice of Receipt of Complaint; Solicitation of Comments Relating to the Public Interest**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has received a complaint regarding *Certain Vehicle Telematics, Fleet Management, and Video-Based Safety Systems, Devices, and Components Thereof*, DN 3722; the Commission is soliciting comments on any public interest issues raised by the

complaint or complainant's filing pursuant to the Commission's Rules of Practice and Procedure.

FOR FURTHER INFORMATION CONTACT: Lisa R. Barton, Secretary to the Commission, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2000. The public version of the complaint can be accessed on the Commission's Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov.

General information concerning the Commission may also be obtained by accessing its internet server at United States International Trade Commission (USITC) at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission has received a complaint and a submission pursuant to § 210.8(b) of the Commission's Rules of Practice and Procedure filed on behalf of Samsara Inc. on February 9, 2024. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain vehicle telematics, fleet management, and video-based safety systems, devices, and components thereof. The complainant names as respondent: Motive Technologies Inc. of San Francisco, CA. The complainant requests that the Commission issue a limited exclusion order, cease and desist order, and impose a bond upon respondent alleged infringing articles during the 60-day Presidential review period pursuant to 19 U.S.C. 1337(j).

Proposed respondents, other interested parties, and members of the public are invited to file comments on any public interest issues raised by the complaint or § 210.8(b) filing. Comments should address whether issuance of the relief specifically requested by the complainant in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.
