[Release No. 34–99533; File No. SR–NYSE–2024–06]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Delete Current Rule 7.39

February 14, 2024.

Pursuant to section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”),² and Rule 19b–4 thereunder,³ notice is hereby given that on February 6, 2024, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete current Rule 7.39 governing Off-Hours Trading. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes delete current Rule 7.39 governing Off-Hours Trading.

The Exchange adopted Rule 7.39 in 2022 in order to continue offering an

off-hours trading facility known as Crossing Session II (“CS II”) pursuant to an updated and streamlined rule that reflected Pillar terminology.⁴ Rule 7.39 permits NYSE member organizations to enter aggregate-price coupled orders for securities, defined as orders to buy or sell a group of securities that have a total market value of \$1 million or more and that are comprised of 15 or more securities listed or traded on the NYSE, which includes UTP securities.

In 2023, the Exchange determined to cease offering an after-hours crossing session and decommission the Off-Hours Trading Facility, effective January 31, 2024. The Exchange announced the implementation date by Trader Update.⁵ In connection with the effective decommissioning of the Off-Hours Trading Facility, the Exchange proposes to delete Rule 7.39 in its entirety.

2. Statutory Basis

The proposed rule change is consistent with section 6(b) of the Act,⁶ in general, and furthers the objectives of section 6(b)(5),⁷ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

Specifically, the Exchange believes that deleting Rule 7.39 following the decommissioning of the Off-Hours Trading Facility would foster cooperation and coordination with persons engaged in facilitating transactions in securities and would remove impediments to and perfect the mechanism of a free and open market and a national market system by deleting obsolete rules, thereby adding clarity, transparency and consistency to the Exchange’s rulebook. By making the proposed change, the Exchange would ensure that its rules are consistent with the existing functionality offered by the

Exchange, thereby promoting clarity and transparency in its rules. The Exchange believes that the change would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from the increased clarity and transparency that the change would introduce, thereby reducing potential confusion.

The Exchange further believes that the proposed rule change would remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest, because it would remove any potential confusion among market participants that may result if the Exchange retained rules governing its Off-Hours Trading Facility after the Exchange decommissioned it.

For the foregoing reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that decommissioning its Off-Hours Trading Facility would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange further believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate because the proposed change is designed to promote clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b–4(f)(6) thereunder.⁹ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii)

⁴ See Securities Exchange Act Release No. 95498 (August 12, 2022), 87 FR 50906, 50906–07 (August 18, 2022) (SR–NYSE–2022–37) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Adopt a New Rule 7.39 and Delete Current Rules 900–907). Rules 900 through 907 governing off-hours trading activity on the Exchange were deleted when Rule 7.39 was adopted. *See id.*

⁵ On June 30, 2023, the Exchange announced that it would cease offering CS II and decommission the Off-Hours Trading Facility on December 29, 2023. On August 3, 2023, the Exchange announced that it would cease offering CS II and decommission the Off-Hours Trading Facility on January 31, 2024.

impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6)(iii) thereunder.¹¹

A proposed rule change filed under Rule 19b-4(f)(6)¹² normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹³ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

The Exchange has represented that it no longer offers an after-hours crossing session and has decommissioned its off-hours trading facility. The Exchange asserts that permitting the rule filing to become operative immediately would thereby alleviate potential investor or market participant confusion that could result from the Exchange retaining obsolete rules on its rulebook relating to functionality the Exchange no longer offers.

The Commission agrees that retaining the rule text in the Exchange's rulebook may create investor confusion about the availability of off-hours trading on the Exchange. Accordingly, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹⁴

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under section 19(b)(2)(B)¹⁵ of the Act to determine whether the proposed rule change should be approved or disapproved.
