**Drawbridge Operation Regulation; Reynolds Channel, Atlantic Beach, NY**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Supplemental notice of proposed rulemaking.

**SUMMARY:** The Coast Guard proposes to modify the operating schedule that governs the Atlantic Beach Bridge across the Reynolds Channel, mile 0.4, at Atlantic Beach, NY. The bridge owner, Nassau County Bridge Authority, submitted a request on September 22, 2022 to modify the regulation to decrease the number of openings on signal from October through May. On November 16, 2023 Nassau County Bridge Authority sent an additional request to add a bridge tower call number and remove outdated language. It is expected that this change to the regulations will better serve the needs of the community while continuing to meet the reasonable needs of navigation. We invite your comments on this proposed rulemaking.

**ADDRESSES:** You may submit comments identified by docket number USCG-2022-0854 through the Federal Decision Making Portal at <https://www.regulations.gov>.
