Scope of the Investigations

The merchandise subject to these investigations is melamine (Chemical Abstracts Service (CAS) registry number 108-78-01, molecular formula C₃H₆N₆). Melamine is also known as 2,4,6-triamino-s-triazine; 1,3,5-Triazine-2,4,6-triazine; Cyanurotriamide; Cyanurotriamine; Cyanuramide; and by various brand names. Melamine is a crystalline powder or granule. All melamine is covered by the scope of these investigations irrespective of purity, particle size, or physical form. Melamine that has been blended with other products is included within this scope when such blends include constituent parts that have been intermingled, but that have not been chemically reacted with each other to produce a different product. For such blends, only the melamine component of the mixture is covered by the scope of these investigations. Melamine that is otherwise subject to these investigations is not excluded when commingled with melamine from sources not subject to these investigations. Only the subject component of such commingled products is covered by the scope of these investigations.

The subject merchandise is provided for in subheading 2933.61.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading and CAS registry number are provided for convenience and customs purposes, the written description of the scope is dispositive.

Background

On September 7, 2023, Commerce published the *Preliminary Results* of the 2021 administrative review of the countervailing duty order on ripe olives from Spain and invited comments from interested parties.¹ On December 7, 2023, Commerce extended the deadline for issuing the final results until March 5, 2024.² For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.³ Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The products covered by the *Order* are ripe olives from Spain. For a full description of the scope of the *Order*, see the Issues and Decision Memorandum.

Changes Since the Preliminary Results

Based on comments received from interested parties, we revised the calculation of the net countervailable subsidy rates for Agro Sevilla Aceitunas, S.Coop.And. (Agro Sevilla). For a discussion of the issues, see the Issues and Decision Memorandum.

Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of Act. For each of the subsidy programs found to be countervailable, we determine that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁴ The Issues and Decision Memorandum contains a full description of the methodology underlying Commerce's conclusions, including our reliance, in part, on facts otherwise available, pursuant to sections 776 of the Act.

Non-Selected Companies' Rate

We made no changes to the methodology for determining a rate for Aceitunas Guadalquivir, S.L. (Guadalquivir), the only company not selected for individual examination from the *Preliminary Results*. However, due to changes in the benefit calculations for Agro Sevilla, the non-selected rate changed for Guadalquivir. For Guadalquivir, we are applying an *ad valorem* subsidy rate of 8.14 percent.

Final Results of the Administrative Review

We find the following net countervailable subsidy rates for the POR January 1, 2021, through December 31, 2021:

⁴ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)
Agro Sevilla Aceitunas, S.Coop.And	7.51
Angel Camacho Alimentación, S.L. and its cross-owned affiliates ⁵	9.12
Review-Specific Average Rate Applicable to the Following Companies⁶	
Aceitunas Guadalquivir, S.L. ⁷	8.14

Disclosure

We intend to disclose the calculations and analysis performed for these final results of review within five days after the date of publication of this notice in the **Federal Register** in accordance with 19 CFR 351.224(b).

Assessment Requirements

In accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, we also intend to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies listed above for shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct

⁵ Commerce found the following companies to be cross-owned with Angel Camacho Alim entación, S.L.: Grupo Angel Camacho, S.L., Cuarterola S.L., and Cucanoche S.L.

⁶ This rate is based on the rates for the respondents that were selected for individual review, excluding rates that are zero, *de minimis*, or based entirely on facts available. See section 705(c)(5)(A) of the Act.

⁷ Commerce has previously found, and continues to treat, the following companies to be cross-owned with Aceitunas Guadalquivir, S.L.U.: Coromar Inversiones, S.L., AG Explotaciones Agrícolas, S.L.U., and Grupo Aceitunas Guadalquivir, S.L. See, e.g., *Ripe Olives from Spain: Final Results of Countervailing Duty Administrative Review*; 2020; *Correction*, 88 FR 21973 (April 12, 2023).

CBP to continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

Timely written notification of the return or destruction of APO materials or conversion to judicial protective order, is hereby requested.
