SUPPLEMENTARY INFORMATION: This document extends the public comment period established in the **Federal Register** of February 23, 2024 (89 FR 13622) (FRL-11593-01-R10) for 30 days, from March 25, 2024, to April 24, 2024.

This extension is in response to requests that the EPA received which asked for additional time to develop and submit comments on the proposed rulemaking. After considering several factors, the EPA believes it is appropriate to extend the comment period for 30 days to give stakeholders additional time to review the documents and prepare comments. As discussed in the **Federal Register** document of February 23, 2024 (89 FR 13622 (FRL-11593-01-R10)), the EPA is proposing approval of the regional haze state implementation plan revision submitted by Oregon on April 29, 2022, as supplemented on November 22, 2023, as satisfying applicable requirements under the Clean Air Act and the EPA's Regional Haze Rule for the program's second implementation period.
