SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–99723; File No. SR–CboeBZX–2024–020]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fee Schedule Regarding Add Volume Tiers

March 12, 2024.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on March 1, 2024, Cboe BZX Exchange, Inc. (the “Exchange” or “BZX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe BZX Exchange, Inc. (the “Exchange” or “BZX”) proposes to amend its Fee Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s

website (http://markets.cboe.com/us/equities/regulation/rule_filings/BZX/), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule applicable to its equities trading platform (“BZX Equities”) by modifying the criteria of certain Add Volume Tiers. The Exchange proposes to implement these changes effective March 1, 2024.

The Exchange first notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive or incentives to be insufficient. More specifically, the Exchange is only one of 16 registered equities exchanges, as well as a number of alternative trading systems and other off-exchange venues that do not have similar self-regulatory responsibilities under the Securities Exchange Act of 1934 (the “Act”), to which market participants may direct their order flow. Based on publicly available information,³ no single registered equities exchange has more than 16% of the market share. Thus, in such a low-concentrated and highly competitive market, no single equities exchange possesses significant pricing power in the execution of order flow. The Exchange in particular operates a “Maker-Taker” model whereby it pays rebates to members that add liquidity and assesses fees to those that remove liquidity. The Exchange’s Fee Schedule sets forth the standard rebates and rates

applied per share for orders that provide and remove liquidity, respectively. Currently, for orders in securities priced at or above \$1.00, the Exchange provides a standard rebate of \$0.00160 per share for orders that add liquidity and assesses a fee of \$0.0030 per share for orders that remove liquidity.⁴ For orders in securities priced below \$1.00, the Exchange provides a standard rebate of \$0.00009 per share for orders that add liquidity and assesses a fee of 0.30% of the total dollar value for orders that remove liquidity.⁵ Additionally, in response to the competitive environment, the Exchange also offers tiered pricing which provides Members opportunities to qualify for higher rebates or reduced fees where certain volume criteria and thresholds are met. Tiered pricing provides an incremental incentive for Members to strive for higher tier levels, which provides increasingly higher benefits or discounts for satisfying increasingly more stringent criteria.

Add/Remove Volume Tiers

Under footnote 1 of the Fee Schedule, the Exchange offers various Add/Remove Volume Tiers. In particular, the Exchange offers seven Add Volume Tiers that provide enhanced rebates for orders yielding fee codes B,⁶ V⁷ and Y⁸ where a Member reaches certain add volume-based criteria. The Exchange now proposes to modify the criteria of Add Volume Tiers 1–3 and Add Volume Tiers 5–7 by revising the share amount in the second prong of criteria. The current criteria for Add Volume Tiers 1–3 and Add Volume Tiers 5–7 is as follows:

- Add Volume Tier 1 provides a rebate of \$0.0020 per share in securities priced at or above \$1.00 to qualifying orders (*i.e.*, orders yielding fee codes B, V, or Y) where a Member has an ADAV⁹ as a percentage of TCV¹⁰ $\geq 0.05\%$ or Member has an ADAV $\geq 5,000,000$.
- Add Volume Tier 2 provides a rebate of \$0.0023 per share in securities priced at or above \$1.00 to qualifying orders (*i.e.*, orders yielding fee codes B,

⁶ Fee code B is appended to displayed orders that add liquidity to BZX in Tape B securities.

⁷ Fee code V is appended to displayed orders that add liquidity to BZX in Tape A securities.

⁸ Fee code Y is appended to displayed orders that add liquidity to BZX in Tape C securities.

⁹ “ADAV” means average daily added volume calculated as the number of shares added per day. ADAV is calculated on a monthly basis.

¹⁰ “TCV” means total consolidated volume calculated as the volume reported by all exchanges and trade reporting facilities to a consolidated transaction reporting plan for the month for which the fees apply.
