Public Comments

Treasury received one comment on the SORN. The comment stated, “We

respectfully request that the Department of the Treasury update these regulations to replace the term ‘physician’ with ‘licensed health care professional.’ This will maintain the privacy protection that is in place, while also ensuring that an individual who selects a nurse practitioner, or other licensed health care professional, as their provider of choice, is authorized to designate that clinician as the recipient of their medical records.”

In response to the comment, in this notice, Treasury replaced references to “physician” with “health professional.”

Deputy Assistant Secretary for Privacy, Transparency, and Records.
