[Docket No. USCG–2024–0198]

Drawbridge Operation Regulation; Atlantic Intracoastal Waterway, Beaufort, SC

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Notice of temporary deviation from regulations; request for comments.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Lady's Island (Woods Memorial) Bridge across the Atlantic Intracoastal Waterway (AICW) (Beaufort River), mile 536.0, at Beaufort, SC. South Carolina Department of Transportation (SCDOT) has requested the Coast Guard consider changing the operating schedule to remove the seasonal operating schedule aligning with other drawbridges along the AICW in SC. This deviation will test a change to the drawbridge operation schedule to determine whether a permanent change to the schedule is needed. The Coast Guard is seeking comments from the public regarding this deviation.

DATES: This deviation is effective from 12:01 a.m. on March 25, 2024, through 11:59 p.m. on September 29, 2024.

Comments and related material must reach the Coast Guard on or before May 20, 2024.

SUPPLEMENTARY INFORMATION:

I. Background, Purpose and Legal Basis

Lady's Island (Woods Memorial) Bridge across the Atlantic Intracoastal Waterway (AICW) (Beaufort River), mile 536.0, at Beaufort, SC, is a swing bridge with a 30-foot vertical clearance at mean high water in the closed position. The normal operating schedule for the bridge is found in 33 CFR 117.911(f).

The Coast Guard received a request from SCDOT to consider changing the operating schedule for the Lady's Island (Woods Memorial) Bridge removing the seasonal operating schedule which would align with other drawbridges along the AICW in SC. This temporary deviation will test a change to the drawbridge operation schedule to determine if the reasonable needs of navigation are maintained and whether a permanent change to the schedule is needed.

Under this temporary deviation, the Lady's Island (Woods Memorial) Bridge shall open on signal; except that the draw need not open from 6 a.m. to 9:29 a.m. and 3:31 p.m. to 7 p.m., Monday through Friday, except Federal holidays. Between 9:30 a.m. and 3:30 p.m., Monday through Friday, except Federal holidays, the draw need open only once an hour on the half hour. Public vessels of the United States and tugs with tows, upon proper signal, will be passed through any time. Vessels able to pass without an opening may do so at any time.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.
