Strengthening the Section 184 Indian Housing Loan Guarantee Program; Correction

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, U.S. Department of Housing and Urban Development (HUD).

ACTION: Final rule; correction.

SUMMARY: The Department of the Housing and Urban Development (HUD) is correcting a final rule entitled, “Strengthening the Section 184 Indian Housing Loan Guarantee Program” that published in the **Federal Register** on March 20, 2024.

DATES: Effective June 18, 2024.

FOR FURTHER INFORMATION CONTACT:

With respect to this technical correction, contact Aaron Santa Anna, Associate General Counsel for Legislation and Regulations, Department of Housing and Urban Development, 451 7th Street SW, Room 10238, Washington, DC 20410; telephone number 202-708-1793 (this is not a toll-free number). SUPPLEMENTARY INFORMATION: On March 20, 2024 (89 FR 20032) (FR Doc. 2024-05515), HUD published a final rule that amends its regulations governing the Section 184 Indian Housing Loan Guarantee Program (Section 184 Program). The rule clarifies the rules governing Tribal participation in the Section 184 Program by establishing underwriting requirements, closing and endorsement processes, and stronger and clearer servicing requirements. The rule also strengthens the Section 184

Program by clarifying rules for stakeholders, minimizing potential risk, and increasing program participation by financial institutions.

In reviewing the March 20, 2024, final rule, HUD identified inadvertent errors in §§ 1005.749, 1005.759, and 1005.805. Specifically, in § 1005.749 HUD failed to designate a paragraph (c)(6). Section 1005.759 incorrectly designated two paragraphs as paragraph (b). Finally, § 1005.805 failed to designate a paragraph (b)(4)(v). This document corrects these errors.

Electronic Submission of Notices of Appeal to the United States Court of Appeals for the Federal Circuit, Notices of Election, and Requests for Extension of Time for Seeking Judicial Review

AGENCY: United States Patent and Trademark Office, Department of Commerce.

ACTION: Final rule.

SUMMARY: The United States Patent and Trademark Office (USPTO) issues this final rule to incorporate changes to the

patent and trademark rules regarding judicial review of agency decisions, in particular how a notice of appeal to the United States Court of Appeals for the Federal Circuit, a notice of election to proceed by civil action in district court, and a request for extension of time for filing a notice of appeal or commencing a civil action must be filed. This final rule states that a notice of appeal, notice of election, and a request for extension of time for filing a notice of appeal or commencing a civil action must be filed with the Director of the USPTO by email, and in the event a request cannot be filed by email, it may be filed by Priority Mail Express®.

DATES: This rule is effective on March 29, 2024.

FOR FURTHER INFORMATION CONTACT: Mai-Trang Dang or Monica Lateef, Office of the Solicitor, at 571–272–9035, or at mai-trang.dang@uspto.gov or monica.lateef@uspto.gov.

SUPPLEMENTARY INFORMATION: The USPTO is revising 37 CFR 90.2, 90.3 and 2.145 to incorporate changes as to how a notice of appeal, a notice of election to proceed by civil action in district court, and a request for extension of time to file a notice of appeal or commence a civil action are to be filed with the Director of the USPTO. Prior to this final rule, appellants were required to file by mail or by delivery by hand to the address provided at 37 CFR 104.2. Under this final rule, the USPTO revises the regulations to allow for filings by email and by priority mail delivery to a new address. Specifically, this rule states that notices of appeal, notices of election, and requests for extension of time to file a notice of appeal or commence a civil action must be filed by email at the email address indicated on the USPTO’s web page for the Office of the General Counsel for filing such notices and requests. If there is some circumstance in which email cannot be used, the rule provides that said notices and requests may be sent by Priority Mail Express®. This change will ensure that the USPTO receives said notices and requests reliably and promptly. The USPTO is also making a technical amendment to § 90.3(c)(1) to remove the pronoun “his” in reference to the Director and replace it with “the Director.”

Discussion of Regulatory Changes

The USPTO is revising §§ 2.145(a)(2)(i), (b)(2)(i) and (e)(2), 90.2(a)(1) and (b)(1), and 90.3(c)(2) to require notices of appeal, notices of election, and requests for extension of time to file a notice of appeal or

commence a civil action, under those provisions, to be filed by email, or by Priority Mail Express®. The USPTO is revising § 90.3(c)(1) to incorporate a technical amendment.

Rulemaking Requirements

A. Administrative Procedure Act: The changes proposed by this rulemaking involve rules of agency practice and procedure, and/or interpretive rules, and do not require notice-and-comment rulemaking. See *Perez v. Mortg. Bankers Ass’n*, 575 U.S. 92, 97, 101 (2015) (explaining that interpretive rules “advise the public of the agency’s construction of the statutes and rules which it administers” and do not require notice and comment when issued or amended); *Cooper Techs. Co. v. Dudas*, 536 F.3d 1330, 1336–37 (Fed. Cir. 2008) (stating that 5 U.S.C. 553, and thus 35 U.S.C. 2(b)(2)(B), do not require notice-and-comment rulemaking for “interpretative rules, general statements of policy, or rules of agency organization, procedure, or practice”); and *JEM Broadcasting Co. v. F.C.C.*, 22 F.3d 320, 328 (D.C. Cir. 1994) (explaining that rules are not legislative because they do not “foreclose effective opportunity to make one’s case on the merits”).

In addition, the Office finds good cause pursuant to the authority at 5 U.S.C. 553(b)(B) and (d)(3) to dispense with prior notice and opportunity for public comment and a 30-day delay in effectiveness because such procedures are unnecessary in this instance. The changes in this rulemaking merely revise the regulations to provide expanded methods for submitting a notice of appeal, a notice of election, and a request for extension of time to file a notice of appeal to the Director of the USPTO. These changes ensure that the USPTO receives said notices and requests reliably and promptly. These revisions are largely procedural in nature and do not impose any additional requirements or fees on applicants. Thus, the USPTO implements this final rule without prior notice and opportunity for comment, or a 30-day delay in effectiveness.

B. Regulatory Flexibility Act: As prior notice and an opportunity for public comment are not required pursuant to 5 U.S.C. 553 or any other law, neither a Regulatory Flexibility Act analysis nor a certification under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) is required. See 5 U.S.C. 603.

C. Executive Order 12866 (Regulatory Planning and Review): This rulemaking has been determined to be not significant for purposes of Executive Order 12866 (September 30, 1993), as
