

Final Critical Circumstances Determination

We will make a final critical circumstances determination in the final CVD determination, which is currently scheduled for July 9, 2024.

Public Comment

Case briefs or other written comments related to this preliminary determination of critical circumstances may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.²⁵ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.²⁶

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this investigation, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.²⁷ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²⁸

Electronically filed documents must be received successfully in their entirety by 5:00 p.m. Eastern Time on the due dates established.²⁹

²⁵ See 19 CFR 351.309(d); see also *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Service Final Rule*).

²⁶ See 19 CFR 351.309(c)(2) and (d)(2).

²⁷ We use the term "issue" here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.

²⁸ See *APO and Service Final Rule*, 88 FR at 67069.

²⁹ See 19 CFR 351.303(b)(1).

Suspension of Liquidation

In accordance with section 703(e)(2)(A) of the Act, for FFPS and Shanghai National, we intend to direct U.S. Customs and Border Protection (CBP) to suspend liquidation of any unliquidated entries of subject merchandise from the China entered, or withdrawn from warehouse for consumption, on or after December 1, 2023, which is 90 days prior to the date of publication of the *Preliminary Determination* in the **Federal Register**. For such entries, CBP shall require a cash deposit equal to the estimated preliminary subsidy rates established in the *Preliminary Determination*. This suspension of liquidation will remain in effect until further notice.

U.S. International Trade Commission (ITC) Notification

In accordance with section 703(f) of the Act, we intend to notify the ITC of this preliminary determination of critical circumstances.

This determination is issued and published pursuant to sections 703(f) and 777(i)(1) of the Act.
