Title: Report of Income from Property or Business.

OMB Control Number: 2900-0108.

Type of Review: Revision of a currently approved collection.

Abstract: VA Form 21P-4185 is primarily used to gather information that is necessary to determine a claimant's countable income received from rental property and/or operation of a business. Some expenses associated with rental property and business operations are deductible from the gross income received. Complete information about expenses and income is necessary to determine the net amount of income that is countable. The information is used to determine eligibility for VA benefits, and, if eligibility exists, the proper rate of payment. This is a revision of a currently approved collection as the respondent burden has decreased.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 89 FR 8522 on February 7, 2024, page 8522.

Affected Public: Individuals or Households.

Estimated Annual Burden: 640 hours.

Estimated Average Burden per Respondent: 30 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 1,280.

By direction of the Secretary.

Maribel Aponte,

VA PRA Clearance Officer, Office of Enterprise and Integration, Data Governance Analytics, Department of Veterans Affairs.
