Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 12g3–2 (17 CFR 240.12g3–2) under the Securities Exchange Act of 1934 (the “Exchange Act”) provides an exemption from Section 12(g) of the Exchange Act (15 U.S.C. 78l(g)) for foreign private issuers. Rule 12g3–2 is designed to provide investors in foreign securities with information about such securities and the foreign issuer. The information filed under Rule 12g3–2 must be filed with the Commission and is publicly available. We estimate that it takes 8.95 hours per response to prepare and is filed by approximately 1,386 respondents. Each respondent files an estimated 12 times submissions pursuant to Rule 12g3–2 per year for a total of 16,632 respondents. We estimate that 25% of 8.95 hours per response (2.237 hours per response) to provide the information required under Rule 12g3–2 for a total annual reporting burden of 37,206 hours (2.237 hours per response × 16,632 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by June 14, 2024.
