Docket Number: 24–009. Applicant: The Regents of the University of Michigan, 5082 Wolverine Tower, 3003 South State Street, Ann Arbor, MI 48109–1287. Instrument: Formula Student Motor and Motor Controllers. Manufacturer: AMK Motion GmbH + CoKG, Germany. Intended Use: The instrument is intended to be used to teach current engineering students at the University of Michigan about vehicle integration, design, and dynamics. This is taught to students through participation in the national wide intercollegiate Formula SAE competitions. This motor is a critical component in the electric powertrain of the vehicle as each motor will independently control each wheel of the car. These specific motors from AMK allow our team to learn the fundamentals of such a process without having to design and manufacture our motors and motor controllers, which is a far more expensive, time-consuming, and knowledge-heavy process. Justification for Duty-Free Entry: According to the applicant, there are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: January 3, 2024.

Dated: April 19, 2024.

In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### **Scope of the Order**

The products covered by the *Order* are common alloy aluminum sheet, which is a flat-rolled aluminum product having a thickness of 6.3 mm or less, but greater than 0.2 mm, in coils or cut-to-length, regardless of width. Common alloy sheet within the scope of the *Order* includes both not clad aluminum sheet, as well as multi-alloy, clad aluminum sheet. Common alloy sheet is currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7606.11.3060, 7606.11.6000, 7606.12.3096, 7606.12.6000, 7606.91.3095, 7606.91.6095, 7606.92.3035, and 7606.92.6095. Further, merchandise that falls within the scope of the *Order* may also be entered into the United States under HTSUS subheadings 7606.11.3030, 7606.12.3015, 7606.12.3025, 7606.12.3035, 7606.12.3091, 7606.91.3055, 7606.91.6055, 7606.92.3025, 7606.92.6055, 7607.11.9090. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the *Order* is dispositive. For a full description of the scope of the *Order*, see the Preliminary Decision Memorandum.

#### **Partial Rescission of the Administrative Review**

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole, or in part, with respect to specific companies, if all parties who requested the review withdraw their requests within 90 days of publication of the notice of initiation of the requested review in the **Federal Register**. All parties timely withdrew their review requests for the following companies: (1) Alanod GmbH & Co. KG (Alanod); (2) Constellium Rolled Products Singen GmbH & Co. KG (Constellium Rolled); (3) Constellium Singen GmbH (Constellium Singen); and (4) Novelis Deutschland GmbH (Novelis). Therefore, consistent with 19 CFR 351.213(d)(1), Commerce is

rescinding this review, in part, with respect to these companies.

### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). We calculated export prices and NV for Speira in accordance with sections 772 and 773 of the Act, respectively. For a full description of the methodology underlying our preliminary results of review, see the Preliminary Decision Memorandum.

### Preliminary Results of Review

We are assigning the following weighted-average dumping margin to the company listed below for the period April 1, 2022, through March 31, 2023:

Producer or exporter	Weighted-average dumping margin (percent)
Speira GmbH <sup>4</sup> .....	6.44

### Disclosure and Public Comment

Commerce intends to disclose, under administrative protective order, its calculations and analysis performed for these preliminary results of review to parties to the proceeding within five days of any public announcement of the preliminary results or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register** in accordance with 19 CFR 351.224(b).

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice in the **Federal Register**. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>5</sup> Interested parties who submit case briefs or rebuttal briefs in this review must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>6</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior

<sup>6</sup> See 19 CFR 351.309(c)(2) and (d)(2).

proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>7</sup> Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>8</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request for a hearing to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests for a hearing should contain: (1) the requesting party's name, address, and telephone number; (2) the number of individuals associated with the requesting party that will attend the hearing and whether any of those individuals is a foreign national; and (3) a list of the issues that the party intends to discuss at the hearing. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice in the **Federal Register**. If a request for a hearing is made, Commerce will announce the date and time of the hearing. Parties should confirm the date and time of the hearing two days before the scheduled hearing date.

### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review in the

**Federal Register**, pursuant to section 751(a)(3)(A) of the Act.<sup>9</sup>

### Assessment Rates

In accordance with section 751(a)(2)(C) of the Act, the assessment of antidumping duties on entries of merchandise covered by the review shall be based on the final results of this review.<sup>10</sup> Therefore, upon issuance of the final results of this review, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review in accordance with 19 CFR 351.212(b)(1).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

We will calculate importer-specific assessment rates for Speira, in accordance with 19 CFR 351.212(b)(1).<sup>11</sup> Because Speira does not know, and thus did not report, entered values, we will calculate importer-specific per-unit assessment rates for the company by dividing the total amount of dumping calculated in the final results of this review for all reviewed U.S. sales to the importer by the total quantity of those sales. While we will calculate estimated *ad valorem* importer-specific assessment rates to determine whether the per-unit assessment rates are *de minimis*, we will report the per-unit assessment rates to CBP.<sup>12</sup> Where either the respondent's *ad valorem* weighted-average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis*,<sup>13</sup> we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Pursuant to a refinement to Commerce's assessment practice, where sales of subject merchandise that was produced or exported by an individually examined respondent were

<sup>9</sup> See section 751(a)(3)(A) of the Act; see also 19 CFR 351.213(h)(1).

<sup>10</sup> See section 751(a)(2)(C) of the Act.

<sup>11</sup> We applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings: Final Modification*, 77 FR 8101 (February 14, 2012).

<sup>12</sup> See 19 CFR 351.212(b)(1).

<sup>13</sup> See 19 CFR 351.106(c)(2).

not reported in the U.S. sales data submitted by the respondent, but the merchandise was entered for consumption in the United States during the POR, we will instruct CBP to liquidate any entries of such merchandise at the all-others rate (*i.e.*, 49.40 percent) if there is no rate for the intermediate company(ies) involved in the transaction.<sup>14</sup>

Because Commerce is rescinding this review with respect to Alanod, Constellium Rolled, Constellium Singen, and Novelis, we will instruct CBP to assess antidumping duties on all appropriate entries of subject merchandise during the POR from these companies at rates equal to the cash deposit rate for estimated antidumping duties that was required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue its rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

#### Cash Deposit Requirements

The following cash deposit requirements will be in effect for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of this administrative review in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Speira will be equal to the weighted-average dumping margin established for the company in the final results of this review, except if the weighted-average dumping margin is less than 0.50 percent, and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), the cash deposit rate will be zero; (2) for previously investigated or reviewed exporters that are not covered by this review, the cash deposit rate will continue to be the company's cash deposit rate from the most recently completed segment of the proceeding in which it was examined; (3) if the exporter is not covered by this review, and does not have a cash deposit rate from a completed segment of this proceeding, but the producer of the subject merchandise does have a cash deposit rate, then the cash deposit rate will be the producer's cash deposit rate from the most recently completed segment of the proceeding in which it was examined; and (4) the cash deposit rate for all other producers or exporters

<sup>14</sup> For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

will continue to be 49.40 percent, the all-others rate established in the less-than-fair-value investigation.<sup>15</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: April 19, 2024.
