

Under Secretary of Commerce for Oceans and Atmosphere (Under Secretary) or the Director of the Office of Space Commerce (OSC) on matters relating to OSC's statutory purview. A list of topics within that purview is provided in the ACES charter at <https://www.space.commerce.gov/aces/>. ACES will assist NOAA to obtain information and advice from a variety of knowledgeable and independent perspectives.

ACES will function solely in an advisory capacity and in accordance with the provisions of the Federal Advisory Committee Act, as amended, 5 U.S.C. 1001 *et seq.* ACES will not exercise program management or regulatory development responsibilities nor make any decisions directly affecting the programs on which it provides advice.

Committee members will generally serve for a term of two years and may serve additional terms, if reappointed. Nominees for membership must be able to attend committee meetings approximately twice per year; members may not send alternates. Members shall not be compensated for their participation.

ACES will have a fairly balanced membership consisting of no more than 25 members serving in a Representative or Special Government Employee (as defined in 18 U.S.C. 202(a)) capacity. The membership should be a mix of industry leaders at the executive level and non-industry members from academia, not-for-profit organizations (e.g., foundations, think tanks), and other entities (e.g., state governments, tribal nations). Some members may represent entities that are NOAA licensees. OSC seeks geographic diversity to ensure representation of space communities throughout the United States. Where possible, OSC will also consider the ethnic, racial, and gender diversity and various abilities of the United States population.

Nominations are encouraged from all interested U.S. persons and organizations representing interests affected by commercial space policies, regulations, operations, and activities. Nominations should include the individual's name and organizational affiliation, a brief description of the nominee's qualifications and interest in serving on ACES, a resume, and no more than three supporting letters describing the nominee's qualifications and interest in serving. Each submission should also provide the nominee's home address, business address, phone number(s), and email address. Self-nominations are acceptable.

Privacy Act Statement

Authority. The collection of information concerning nominations to ACES is authorized under the FACA, 5 U.S.C. 1001 *et seq.*, and its implementing regulations, 41 CFR part 102–3, and in accordance with the Privacy Act of 1974, as amended, (Privacy Act) 5 U.S.C. 552a.

Purpose. The collection of names, contact information, resumes, professional information, and qualifications is required in order for the Under Secretary or the OSC Director to appoint members to ACES.

Routine Uses. NOAA will use the nomination information for the purpose set forth above. The Privacy Act of 1974 authorizes disclosure of the information collected to NOAA staff for work-related purposes and for other purposes only as set forth in the Privacy Act and for routine uses published in the Privacy Act System of Records Notice COMMERCE/DEPT–11, Candidates for Membership, Members, and Former Members of Department of Commerce Advisory Committees, available at <https://www.commerce.gov/opog/privacy/SORN/SORN-DEPT-11>, and the System of Records Notice COMMERCE/DEPT–18, Employees Personnel Files Not Covered by Notices of Other Agencies, available at <https://www.commerce.gov/opog/privacy/SORN/SORN-DEPT-18>.

Disclosure. Furnishing the nomination information is voluntary; however, if the information is not provided, the individual would not be considered for appointment as a member of ACES.

Richard DalBello,

Director, NOAA Office of Space Commerce.

Schedule for Atlantic Highly Migratory Species Outreach Workshops

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public outreach workshops.

SUMMARY: Five free Atlantic Highly Migratory Species (HMS) Outreach Workshops will be held from April 29, 2024 through May 3, 2024 in locations

across Puerto Rico. These workshops are being offered to be responsive to stakeholder requests for additional outreach in Puerto Rico and U.S. Caribbean communities. The objectives of the HMS Outreach Workshops are to educate fishers, dealers, and the general public on HMS regulations, distribute outreach materials, and assist fishers in applying for HMS permits.

DATES: The HMS Outreach Workshops will be held April 29, 2024 through May 3, 2024. See the **SUPPLEMENTARY INFORMATION** section for the specific dates and times.

ADDRESSES: The HMS Outreach Workshops will be held in Aguadilla, Cabo Rojo, Ponce, Arecibo, and Dorado, Puerto Rico. See the **SUPPLEMENTARY INFORMATION** section for the specific locations.

FOR FURTHER INFORMATION CONTACT: Delisse Ortiz by email at delisse.ortiz@noaa.gov or by phone at 301–427–8530.

SUPPLEMENTARY INFORMATION: Atlantic HMS fisheries are managed under the 2006 Consolidated HMS Fishery Management Plan and its amendments pursuant to the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 *et seq.*) and consistent with the Atlantic Tunas Convention Act (16 U.S.C. 971 *et seq.*). HMS implementing regulations are at 50 CFR part 635.

Atlantic Highly Migratory Species Outreach Workshop

In recent years, HMS fisheries stakeholders, including fishers, dealers, and the general public, have requested that NMFS prioritize HMS fisheries management education and outreach in the U.S. Caribbean, specifically in Puerto Rico. To be responsive to stakeholder needs in Puerto Rico, NMFS is carrying out free HMS Outreach Workshops across five locations in Puerto Rico. The workshops are designed to educate fishers, dealers, and the general public on HMS regulations, distribute outreach materials, and assist fishers and dealers in applying for HMS permits. The increased engagement, outreach, and education in the U.S. Caribbean as a result of the HMS Outreach Workshops will help meet NMFS's goal of promoting sustainable fisheries and address key shark management outreach requests by our stakeholders in that region. These workshops are also consistent with NMFS's effort to encourage the involvement of disadvantaged or underserved communities consistent with Executive Orders 14008, 12898, and 13895.

Workshop Dates, Times, and Locations

1. April 29, 2024, 4 p.m.–6 p.m. AST, Anfiteatro Municipio de Aguadilla, Calle Ruiz Belvis, Aguadilla, PR, 00603.

2. April 30, 2024, 4:30 p.m.–6:30 p.m. AST, Boquerón Yacht Club/Club Náutico de Boquerón, 2RGF+GQ Cabo Rojo, PR 00623.

3. May 1, 2024, 4 p.m.–6 p.m. AST, Villa Pesquera La Guancha, 80 Avenida Padre Noel, Ponce, PR 00716.

4. May 2, 2024, 4:30 p.m.–6:30 p.m. AST, Villa Pesquera Jarealito, Barrio Jarealito Carretera #681, Arecibo, PR 00612.

5. May 3, 2024, 5:30 p.m.–7:30 p.m. AST, Club Náutico y Villa Pesquera, FPGC+8WJ, Calle Madre Perla, Dorado, PR, 00646.

Additional free HMS Outreach Workshops will be conducted in 2024 and will be announced in a future notice.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: April 24, 2024.

Everett Wayne Baxter,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Cooperative Game Fish Tagging Report

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on January 16, 2024 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Oceanic and Atmospheric Administration, Commerce.

Title: Cooperative Game Fish Tagging Report.

OMB Control Number: 0648–0247.

Form Number(s): 88–162.

Type of Request: Regular submission, extension of a current information collection.

Number of Respondents: 500.

Average Hours per Response: Two minutes to complete the fish tag card.

Total Annual Burden Hours: 167 hours.

Needs and Uses: This request is for extension of a current information collection. The Cooperative Game Fish Tagging Program was initiated in 1971 as part of a comprehensive research program resulting from passage of Public Law 86–359, Study of Migratory Game Fish, and other legislative acts under which the National Marine Fisheries Service (NMFS) operates. The Cooperative Tagging Center attempts to determine the migration patterns of, and other biological information for, billfish, tunas, and swordfish. The Fish Tag Issue Report card is a necessary part of the tagging program. Fishermen volunteer to tag and release their catch. When requested, NMFS provides the volunteers with fish tags for their use when they release their fish. Usually a group of five tags is sent at one time, each attached to a Report card, which is pre-printed with the first and last tag numbers received, and has spaces for the respondent's name, address, date, and club affiliation (if applicable). He/she fills out the card with information when a fish is tagged and mails it to NMFS.

Information on each species is used by NMFS to determine migratory patterns, distance traveled, stock boundaries, age, and growth. These data are necessary input for developing management criteria by regional fishery management councils, states, and NMFS. The tag report cards are necessary to provide tags to the volunteer angler, record when and where the fish was tagged, the species, its estimated length and weight, tag number, and information on the tagger for follow-ups if the tagged fish is recovered. Failure to obtain these data would make management decisions very difficult and would be contrary to the NMFS Marine Recreational Fishing policy objectives. Anglers are made aware of the tagging program through several forms of media: newspaper and magazine articles, through both The Billfish Foundation and the Southeast Fisheries Science Center websites, peer review papers, and by word of mouth.

Affected Public: Individuals or households.

Frequency: Occasionally.

Respondent's Obligation: Voluntary.

Legal Authority: 16 U.S.C. 760e Name of Law: Study of Migratory Game Fish;

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering either the title of the collection or the OMB Control Number 0648–0247.

Sheleen Dumas,

Department PRA Clearance Officer, Office of the Under Secretary for Economic Affairs, Commerce Department.

Western Pacific Fishery Management Council; Public Meetings

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meetings.

SUMMARY: The Western Pacific Fishery Management Council (Council) will hold meetings of its Archipelagic Plan Team (APT) and Pelagic Plan Team (PPT) to discuss fishery management issues and develop recommendations for future management of fisheries in the Western Pacific Region.

DATES: The APT will meet on Monday and Tuesday, May 13–14, 2024, between 8:30 a.m. and 4 p.m., Hawaii Standard Time (HST). The APT will meet jointly with the PPT on Wednesday, May 15, 2024, between 8:30 a.m. and 4 p.m., HST. The PPT will meet on Thursday and Friday, May 16–17, 2024, between 8:30 a.m. and 4 p.m., HST. For specific times and agendas, see **SUPPLEMENTARY INFORMATION**.

ADDRESSES: The meeting will be held in a hybrid format with in-person and remote participation (Webex) options available for the members, and public attendance limited to web conference via Webex. In-person attendance for
