SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-428, OMB Control No. 3235-0478]

Submission for OMB Review; Comment Request; Extension: Rule 11a1-1(T)

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services,

100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 11a1-1(T) (17 CFR 240.11a1-1(T)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act").

On January 27, 1976, the Commission adopted Rule 11a1-1(T) to exempt certain exempt transactions of exchange members for their own accounts that would otherwise be prohibited under Section 11(a) of the Exchange Act. The Rule provides that a member's proprietary order may be executed on the exchange of which the trader is a member, if, among other things: (1) the member discloses that a bid or offer for its account is for its account to any member with whom such bid or offer is placed or to whom it is communicated; (2) any such member through whom that bid or offer is communicated discloses to others participating in effecting the order that it is for the account of a member; and (3) immediately before executing the order, a member (other than a specialist in such security) presenting any order for the account of a member on the exchange clearly announces or otherwise indicates to the specialist and to other members then present that he is presenting an order for the account of a member.

Without these requirements, it would not be possible for the Commission to monitor its mandate under the Exchange Act to promote fair and orderly markets and ensure that exchange members have, as the principal purpose of their exchange memberships, the conduct of a public securities business.

There are approximately 531 respondents that require an aggregate total of approximately 15 hours per year to comply with this Rule. Each of these approximately 531 respondents makes an estimated 20 annual responses, for an aggregate of 10,620 responses per year. Each response takes approximately 5 seconds to complete. Thus, the total time burden per year is approximately 15 hours (10,620 × 5 seconds/60 seconds per minute/60 minutes per hour = 14.7618 hours rounded up to 15 hours). The approximate internal cost of compliance per hour is approximately \$405, resulting in a total internal cost of

compliance of approximately \$6,075 per year (15 hours @ \$405).

Compliance with Rule 11a1-1(T) is necessary for exchange members to make transactions for their own accounts under a specific exemption from the general prohibition of such transactions under Section 11(a) of the Exchange Act. Compliance with Rule 11a1-1(T) does not involve the collection of confidential information. Rule 11a1-1(T) does not have a record retention requirement per se. However, responses made pursuant to Rule 11a1-1(T) may be subject to the recordkeeping requirements of Rules 17a-3 and 17a-4.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Dated: May 1, 2024.

Sherry R. Haywood,
Assistant Secretary.
