National Institutes of Health (NIH)
Office of Science Policy (OSP):
Request for Information on Draft NIH
Intramural Research Program Policy:
Promoting Equity Through Access
Planning

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: The National Institutes of Health (NIH) is proposing to develop and implement a new policy within its Intramural Research Program (IRP) to promote access to products stemming

from taxpayer-funded inventions. NIH seeks input on this draft policy and accompanying draft license agreement language that incorporates patient access in the commercialization process for NIH-owned inventions.

DATES: To ensure consideration, comments must be submitted in writing by July 22, 2024.

ADDRESSES: Comments may be submitted electronically to *Https://osp.* od.nih.gov/comment-form-draft-nihintramural-research-program-policypromoting-equity-through-accessplanning/. Responses to this request for information are voluntary and may be submitted anonymously. You may voluntarily include your name and contact information with your response. Other than your name and contact information, please do not include in the response any personally identifiable information or any information that you do not wish to make public. Proprietary, classified, confidential, or sensitive information should not be included in your response. After the Office of Science Policy (OSP) has finished reviewing the responses, the responses may be posted to the OSP website without redaction.
