### International Trade Administration

[C–580–898]

#### Large Diameter Welded Pipe From the Republic of Korea: Final Results of the Expedited First Sunset Review of the Countervailing Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on large diameter welded pipe (LDWP) from the Republic of Korea (Korea) would be likely to lead to continuation or recurrence of countervailable subsidies at the levels indicated in the “Final Results of Sunset Review” section of this notice.

**DATES:** Applicable May 22, 2024.

**FOR FURTHER INFORMATION CONTACT:**

Noah Wetzel, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–7466.

**SUPPLEMENTARY INFORMATION:**

**Background**

On May 2, 2019, Commerce published the *Order* on LDWP from Korea.<sup>1</sup> On February 1, 2024, Commerce published the notice of initiation of the first sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.218(c).<sup>2</sup> On February 16, 2024, Commerce received a timely notice of intent to participate from the domestic interested party in the underlying investigation, American Line Pipe Producers Association Trade Committee, within the 15-day deadline specified in 19 CFR 351.218(d)(1)(i).<sup>3</sup> The domestic interested party claimed interested party status within the meaning of section 771(9)(F) of the Act and 19 CFR 351.102(b)(29)(viii) as an association in which the majority of its members are producers of the domestic like product.<sup>4</sup>

On March 4, 2024, Commerce received an adequate substantive response to the *Initiation Notice* from the domestic interested party within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).<sup>5</sup> Commerce received no responses from the Government of Korea (GOK) or from any other interested party. In accordance with section 751(c)(3)(B) of the Act, because Commerce did not receive a substantive response from the GOK or a respondent

party, pursuant to 19 CFR 351.218(e)(1)(ii)(B) and (e)(1)(ii)(C), respectively, we determined that the respondent interested parties did not provide an adequate response to the *Initiation Notice*. Therefore, consistent with 19 CFR 351.218(e)(1)(ii)(B)(2) and (e)(1)(ii)(C)(2), on March 22, 2024, Commerce notified the International Trade Commission that it did not receive an adequate substantive response from respondent interested parties, and that it would conduct an expedited (120-day) sunset review of the *Order*.<sup>6</sup>

**Scope of the Order**

The product covered by the *Order* is large diameter welded pipe from Korea. For a complete description of the scope of the Order, see the Issues and Decision Memorandum.<sup>7</sup>

**Analysis of Comments Received**

A complete discussion of all issues raised in this sunset review, including the likelihood of the continuation or recurrence of subsidization in the event of revocation of the *Order* and the countervailable subsidy rates likely to prevail if the *Order* were to be revoked, is provided in the Issues and Decision Memorandum. A list of the topics discussed in the Issues and Decision Memorandum is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNotices/ListLayout.aspx>.

**Final Results of Sunset Review**

Pursuant to sections 751(c)(1) and 752(b) of the Act, we determine that revocation of the *Order* would be likely to lead to continuation or recurrence of countervailable subsidies at the following net countervailable subsidy rates:

<sup>1</sup> See *Large Diameter Welded Pipe from the Republic of Korea: Countervailing Duty Order*, 84 FR 18773 (May 2, 2019) (*Order*).

<sup>2</sup> See *Initiation of Five-Year (Sunset) Reviews*, 89 FR 6499 (February 1, 2024) (*Initiation Notice*).

<sup>3</sup> See Domestic Interested Parties’ Letter, “Notice of Intent to Participate,” dated February 16, 2024.

<sup>4</sup> *Id.* at 2.

<sup>5</sup> See Domestic Interested Parties’ Letter, “Large Diameter Welded Carbon and Alloy Steel Line and Structural Pipe from the Republic of Korea: Substantive Response to Notice of Initiation,” dated March 4, 2024 (Substantive Response).

<sup>6</sup> See Commerce’s Letter, “Sunset Reviews for February 2024,” dated March 22, 2024.

<sup>7</sup> See Memorandum, “Decision Memorandum for the Final Results of the Expedited First Sunset Review of the Countervailing Duty Order on Large Diameter Welded Pipe from the Republic of Korea,” dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).
