

SBA has determined that the current information does not adequately meet its needs at the time of guaranty purchase review since the form does not collect enough details about the type of loan payments. Accordingly, SBA changed the column titled "DEFERMENT" to "TYPE OF PAYMENT."

SBA also plans to revise and clarify the instructions for the Form 1149 to ensure the lenders will be aware of the information to be reported. Lastly, the Form 1149 may undergo additional formatting changes to make it easier to address mandatory Federal government 508 accessibility compliance.

This non-substantive change will likely not have a significant impact on the burden. SBA is requesting a 3-year renewal.

Solicitation of Public Comments:

Solicitation of Public Comments: Comments may be submitted on (a) whether the collection of information is necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.
