SUPPLEMENTARY INFORMATION: SBA is considering revising its information collections for various certification programs to streamline the certification process for those programs. In particular, SBA seeks to make the programs more uniform so that small businesses applying for multiple certifications face a common standard of review where possible. The certification programs affected are the 8(a) Business Development (BD) program, the women-owned small business program, the veteran small business certification program, and the HUBZone program. This form has been transferred from the Department of Veterans Affairs (VA) to the Small Business Administration (SBA). The former VA Control Number was 2900-0675. The former VA Form number was VA Form 0877.
