

recommendations on the policies, programs, and resources required to address the disparities and inequities in infant mortality, related adverse birth outcomes and maternal health outcomes, including maternal mortality and severe maternal morbidity. With its focus on underlying causes of the disparities and inequities seen in birth outcomes for women and infants, the Committee advises the Secretary of Health and Human Services on the health, social, economic, and environmental factors contributing to the inequities and proposes structural, policy, and/or systems level changes.

The agenda for the June 26–27, 2024, meeting is being finalized and may include the following topics: Federal updates, including on the Healthy Start program; maternal and infant mental health; presentations and Committee discussions on the workgroup topics of rural health care access, social drivers of health, and women's health before/ between pregnancies; and discussion of possible recommendations to achieve optimal maternal health and overall birth outcomes for underserved populations, including Black/African-American families. Agenda items are subject to change as priorities dictate. Refer to the ACIMM website listed above for any updated information concerning the meeting.

Members of the public will have the opportunity to provide written or oral comments. Public participants may submit written statements in advance of the scheduled meeting by emailing SACIM@hrsa.gov. Oral comments will be honored in the order they are requested and may be limited as time allows. Requests to submit a written statement or make oral comments to ACIMM should be sent to Vanessa Lee, Designated Federal Official, using the email address above at least 3 business days prior to the meeting.

Individuals who plan to attend and need special assistance or another reasonable accommodation should notify Vanessa Lee at the contact information listed above at least 10 business days prior to the meeting. Since this meeting occurs in a Federal Government building, attendees joining in person must go through a security check to enter the building. Non-U.S. Citizen attendees must notify HRSA of their planned attendance at least 20 business days prior to the meeting to facilitate their entry into the building. All attendees are required to present

government-issued identification prior to entry.
