Rural Business-Cooperative Service

[Docket #: RBS-24-BUSINESS-0009]

Notice of Revision of a Currently Approved Information Collection

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice; request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 the Rural Business-Cooperative Service (RBCS or Agency), an agency within the United States Department of Agriculture

(USDA), Rural Development (RD), announces its intention to request a revision to a currently approved information collection package for Rural Energy for America (REAP) program. The Agency invites comments on this information collection for which it intends to request approval from the Office of Management and Budget (OMB).

DATES: Comments on this notice must be received by August 5, 2024 to be assured of consideration.

FOR FURTHER INFORMATION CONTACT:

Katherine Anne Mathis, RD Innovation Center—Regulations Management Division, U.S. Department of Agriculture, 1400 Independence Avenue SW, Washington, DC 20250, Telephone: 202-713-7565, email: Katherine.mathis@usda.gov.

SUPPLEMENTARY INFORMATION: The OMB regulation (5 CFR part 1320) implementing provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13) requires that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). This notice identifies an information collection that the Agency is submitting to OMB for extension.

Comments are invited on (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility; (b) the accuracy of the Agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments may be submitted electronically by the Federal eRulemaking Portal, <https://www.regulations.gov/>. In the "Search for dockets and documents on agency actions" box enter the Docket No. RBS-24-BUSINESS-0009 and click the "Search" button. From the search results, click on or locate the document title: "Notice of Revision of a Currently Approved Information Collection" and select the "Comment" button. Before inputting comments, commenters may review the "Commenter's Checklist" (optional). To submit a comment: Insert

comments under the "Comment" title, click "Browse" to attach files (if available), input email address, select box to opt to receive email confirmation of submission and tracking (optional), select the box "I'm not a robot," and then select "Submit Comment." Information on using *Regulations.gov*, including instructions for accessing documents, submitting comments, and viewing the docket after the close of the comment period, is available through the site's "FAQ" link. All comments will be available for public inspection online at the Federal eRulemaking Portal (www.regulations.gov).

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. Data furnished by the applicants will be used to determine eligibility for program benefits. Furnishing the data is voluntary; however, failure to provide data could result in program benefits being withheld or denied.

Title: Rural Energy for America (REAP) program.

OMB Control Number: 0570-0067.

Type of Request: Revision of a currently approved information collection under 7 CFR part 4280, subpart B.

SUPPLEMENTARY INFORMATION:

Background

Commerce regulations provide that it will publish in the **Federal Register** a list of scope rulings on a quarterly basis.¹ Our most recent notification of scope rulings was published on December 13, 2023.² This current notice covers all scope rulings made by Enforcement and Compliance between October 1, 2023, and December 31, 2023.

¹ See 19 CFR 351.225(o).

² See *Notice of Scope Rulings*, 88 FR 86320 (December 13, 2023).

Scope Rulings Made October 1, 2023, Through December 31, 2023

Bahrain

A–525–001 and C–525–002: Common Alloy Aluminum Sheet From Bahrain

Requestor: FCC Metals LLC. Finished aluminum coil for use in roofing products is covered by the scope of the antidumping and countervailing duty orders on common alloy aluminum sheet from Bahrain because the merchandise produced and exported from Bahrain and further processed in Jordan entered the United States as in-scope merchandise; November 8, 2023.

India

A–533–883 and C–533–884: Glycine From India

Requestor: GEO Specialty Chemicals, Inc. Calcium glycinate is not covered by the scope of the antidumping or countervailing duty orders on glycine from India, because calcium glycinate is a precursor of glycine and calcium glycinate is not a type of glycine; October 11, 2023.

A–533–865 and C–533–866: Certain Cold-Rolled Steel Flat Products From India

Requestor: SIGMA Corporation. An end module side cover and certain cable tray connection brackets are not covered by the scope of the antidumping or countervailing duty orders on certain cold-rolled steel flat products from India because they are not cold-rolled flat-rolled steel products but are components of modular battery storage assemblies; December 13, 2023.

Japan

A–588–878: Glycine From Japan

Requestor: GEO Specialty Chemicals, Inc. Calcium glycinate is not covered by the scope of the antidumping duty order on glycine from Japan because calcium glycinate is a precursor of glycine and calcium glycinate is not a type of glycine; October 11, 2023.

People’s Republic of China (China)

C–570–081: Glycine From China

Requestor: GEO Specialty Chemicals, Inc. Calcium glycinate is not covered by the scope of the countervailing duty order on glycine from China because calcium glycinate is a precursor of glycine and calcium glycinate is not a type of glycine; October 11, 2023.

A–570–967 and C–570–968: Aluminum Extrusions From China

Requestor: Wagner Spray Tech Corporation. Wagner Spray Tech Corporation’s part number 805–324

manifold is covered by the scope of the antidumping and countervailing duty orders on aluminum extrusions from China because it does not satisfy the design and testing requirements that would qualify for the “finished heat sink” exception to the orders; October 17, 2023.

A–570–890: Woodend Bedroom Furniture From China

Requestor: Moe’s Home Collection Inc. Certain case pieces of furniture are covered by the scope of the antidumping duty order on wooden bedroom furniture from China because they are physically consistent with certain types of wooden bedroom furniture, in some cases were suitable for storing clothes, and were advertised as bedroom furniture; November 22, 2023.

A–570–131 and C–570–132: Twist Ties From China

Requestor: Essential Ribbons, Inc. The twist tie component of twist ties attached with bows are covered by the orders. Commerce determined the twist tie component was within the scope of the orders based on an analysis under 19 CFR 351.225(k)(3). First, Commerce examined the merchandise as a whole and found it had multiple components because it was described as having two pieces with different functions and the pieces were either not attached or attached by a single stitch. Then Commerce examined the twist tie component and found it was explicitly covered by the scope in both function and physical description. Finally, Commerce examined if the inclusion of the twist tie with the attachable bow resulted in an exclusion of the scope inquiry merchandise from the scope of the orders. Since there is no exclusion for a twist tie that is a component of merchandise that has a bow, Commerce found the twist tie was not excluded from the orders. The twist tie component of twist ties attached with bows is, therefore, covered by the scope of the orders; November 27, 2023.

A–570–095 and C–570–096: Aluminum Wire and Cable From China

Requestor: Imperium Cables, LLC. (Imperium). Imperium’s Type SER and Type URD aluminum conductor cables that are manufactured in Korea by Pusan Cables & Engineering Co., Ltd., and incorporate aluminum wire cable that is produced in China by Hebei Huatong Wires and Cables Group Co., Ltd. (Hebei Huatong), are not covered by the scope of the antidumping and countervailing duty orders, because the aluminum wire produced by Hebei
