SUPPLEMENTARY INFORMATION:

I. Abstract

The NASA Business Opportunities Expo is an annual event sponsored by the NASA KSC Prime Contractor Board, U.S. Air Force 45th Space Wing, and Canaveral Port Authority. Attendees include small businesses who want to meet and network with NASA and KSC prime contractors, large contractors seeking teaming opportunities with small businesses, and construction companies interested in learning more about NASA contract opportunities.

Exhibitors include businesses offering a variety of products and services, representatives from each NASA center, the Patrick Air Force Base 45th Space Wing, prime contractors, and other government agencies.

Attendee information collected is name, company, address, email, telephone. Exhibitors are asked to provide the same information, plus company information that is published in the event program: Commercial and Government Entity (CAGE) Code, Primary North American Industry Classification System (NAICS) Code Business Categories, Core company capabilities and Past or current work/contracts with NASA.

The National Aeronautics and Space Administration (NASA) is committed to effectively performing the Agency's communication function in accordance with the Space Act Section 203(a)(3) to "provide for the widest practicable and appropriate dissemination of information concerning its activities and the results thereof," and to enhance

public understanding of, and participation in, the nation's space program in accordance with the NASA Strategic Plan.

SUPPLEMENTARY INFORMATION:

I. Abstract

This data collection supports the Capacity Building Program of NASA's Earth Action component of the Earth Science Division. NASA is committed to effectively performing the Agency's communication function in accordance with the National Aeronautics and Space Act, (a)(3), 42 U.S.C. 2473(a)(3), to "provide for the widest practicable and appropriate dissemination of information concerning its activities and the results thereof," and to enhance public understanding of, and participation in, the nation's aeronautical and space program in accordance with the NASA Strategic Plan.

All participants of Applied Remote Sensing Training program (ARSET) trainings will be invited to complete an online survey. Participation is optional and no personal identifiers are collected to ensure confidentiality. The follow-up survey will be used to assess participant perceptions of the long-term benefits of training in earth observation tools and data, improve understanding how remote sensing data and tools are used by stakeholders, identify barriers to data and tool use, and gather suggestions for training improvement, including future training needs.

II. Methods of Collection
