

Disclosure

We intend to disclose the calculations performed for this amended preliminary determination to parties within five days after public announcement or, if there is no public announcement, within five days of the date of publication of this notice, in accordance with 19 CFR 351.224(b).

Amended Cash Deposits and Suspension of Liquidation

The collection of cash deposits and suspension of liquidation will be revised according to the rates calculated in this amended preliminary determination, in accordance with section 733(d) of the Act. Because the amended rates for Erdoganlar, Sistem, the companies assigned rates based on AFA, and all other producers and/or exporters result in decreased cash deposit rates, they will be effective retroactively to May 7, 2024, the date of publication of the *Preliminary Determination*. We will also instruct U.S. Customs and Border Protection to issue instructions for requesting a refund of the difference between the amount of cash deposits paid as a result of the application of the *Preliminary Determination* rates and the amount due as a result of the amended preliminary determination rates.

U.S. International Trade Commission Notification

In accordance with section 733(f) of the Act, we will notify the U.S. International Trade Commission of our amended preliminary determination.

Notification to Interested Parties

This amended preliminary determination is issued and published pursuant to sections 733(d) and 777(i) of the Act and 19 CFR 351.224(e).

Dated: May 30, 2024.

Interested parties are invited to comment on the preliminary results of this administrative review.

Commerce received a timely request from DAK Americas LLC, Indorama Ventures USA, Inc., and Nan Ya Plastics Corporation, America (collectively, the petitioners) to verify the information submitted in this administrative review, pursuant to 19 CFR 307(b)(1)(iv).⁵ Commerce does not intend to verify the information submitted by the mandatory respondent in the course of this administrative review.

Public Comment

Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice in the **Federal Register**.⁶ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.⁷ Interested parties who submit case briefs or rebuttal briefs in this review must submit: (1) a table of contents listing each issue; and (2) a table of authorities.⁸

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.⁹ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its

If a hearing is requested, Commerce will announce the date and time of the hearing. Parties should confirm the date and time of the hearing two days before the scheduled hearing date.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.¹¹

Assessment Rates

In accordance with section 751(a)(2)(C) of the Act, the assessment of antidumping duties on entries of merchandise covered by this review shall be based on the final results of the review.¹² Therefore, upon issuance of the final results of this review, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review in accordance with 19 CFR 351.212(b)(1).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this

¹⁰ See *APO and Service Final Rule*, 88 FR at 67070.

review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

We will calculate importer-specific assessment rates for OCTAL, in accordance with 19 CFR 351.212(b)(1).¹³ Because OCTAL reported entered values for its sales, we will calculate importer-specific *ad valorem* assessment rates for the company by dividing the total amount of dumping calculated for all reviewed U.S. sales to the importer by the total entered value of the merchandise sold to the importer.¹⁴

Where either OCTAL's *ad valorem* weighted-average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis*,¹⁵ we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Pursuant to a refinement to Commerce's assessment practice, where sales of subject merchandise that was produced or exported by an individually examined respondent were not reported in the U.S. sales data submitted by the respondent, but the merchandise was entered for consumption in the United States during the POR, Commerce will instruct CBP to liquidate any entries of such merchandise at the all-others rate (*i.e.*, 7.62 percent)¹⁶ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁷

Cash Deposit Requirements

The following cash deposit requirements will be in effect for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of this administrative review in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for OCTAL will be equal to the weighted-average dumping margin established for the company in the final results of this review, except if the weighted-average dumping margin

is less than 0.50 percent, and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), the cash deposit rate will be zero; (2) for previously investigated or reviewed companies that are not covered by this review, the cash deposit rate will continue to be the company's cash deposit rate from the most recently completed segment of the proceeding in which it was examined; (3) if the exporter is not covered by this review, and does not have a cash deposit rate from a completed segment of this proceeding, but the producer of the subject merchandise does have a cash deposit rate, then the cash deposit rate will be the producer's cash deposit rate from the most recently completed segment of the proceeding in which it was examined; and (4) the cash deposit rate for all other producers or exporters will continue to be 7.62 percent, the all-others rate established in the less-than-fair-value investigation.¹⁸ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h)(2) and 351.221(b)(4).

Dated: May 30, 2024.

Abdelali Elouaradia,

Deputy Assistant Secretary for Enforcement and Compliance.

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; American Climate Corps Recruitment Form

AGENCY: Corporation for National and Community Service.

ACTION: Notice of information collection; request for comment.

SUMMARY: The Corporation for National and Community Service, operating as AmeriCorps, has submitted a public information collection request (ICR) entitled American Climate Corps Recruitment Form for review and approval in accordance with the Paperwork Reduction Act.

DATES: Written comments must be submitted to the individual and office listed in the **ADDRESSES** section by July 5, 2024.

SUPPLEMENTARY INFORMATION: The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of CNCS, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions;
 - Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
 - Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments

A 60-day Notice requesting public comment was published in the **Federal Register** on March 15, 2024 at 89 FR 18913. This comment period ended May 14, 2024. Two public comments were received from this Notice.

- Two commenters suggested increasing the character limit for the position description. AmeriCorps will not incorporate this comment because, while it understands the concern, the agency is intentional about wanting concise descriptions to avoid sharing too much information on position listings. The agency encourages programs to use longer descriptions on their own websites as part of the application, rather than on *ACC.gov*. *ACC.gov* points applicants to the program websites for more detailed information.

- Two commenters suggested revisions to the process for collecting information that would allow for editing or reusing information about each program. The agency will incorporate this comment for future versions of the form when the collection tool has the technical capabilities to allow for this.

- One commenter suggested clearer field descriptions for questions. The agency will continue to improve field descriptions for clarity in future versions.

- One commenter suggested revisions to the location category of the form so that multiple locations can be selected. AmeriCorps accepts this comment and will work to offer this function, technology permitting.

- One commenter suggested not using the term "hourly pay." The agency accepts this comment and has revised the field to ask for hourly pay equivalent.
