SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-100272; File No. SR-NYSEAMER-2024-34]

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Change To Amend Rule 903

June 4, 2024.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 ("Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on May 30, 2024, NYSE American LLC ("NYSE American" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 903 (Series of Options Open For Trading) and to make certain conforming changes. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend Rule 903 (Series of Options Open For Trading) to adopt a Monthly Options Series Program; to adopt a Low-Priced Strike Priced Interval Program; to permit the listing and trading of five additional classes with Short Term Option Daily Expirations; to permit Tuesday and Thursday expirations for certain classes with Short Term Option Daily Expirations; and to permit the listing of two Wednesday expirations for options on certain ETPs. Each of the proposed changes would align Exchange rules with already-approved and implemented rules in place on at least one other options exchange as noted herein.

Monthly Options Series Program

The Exchange proposes to amend its Rules to accommodate the listing of options series that would expire at the close of business on the last business day of a calendar month ("Monthly Options Series"). This is a competitive filing that is based on a proposal recently submitted Cboe Exchange, Inc ("CBOE").⁴

Pursuant to proposed Commentary .11 to Rule 903 and Rule 903C(a)(v), the Exchange may list Monthly Options Series for up to five currently listed option classes that are either index options or options on exchange-traded funds ("ETFs").⁵ In addition, the Exchange may also list Monthly Options Series on any options classes that are selected by other securities exchanges that employ a similar program under their respective rules.⁶ The Exchange

⁵ The Exchange proposes to amend Rule 903(h) to provide that new Commentary .11 to Rule 903 (which has been in Reserve) will describe how the Exchange will fix a specific expiration date and exercise price for Monthly Options Series and that proposed Commentary .11 to Rule 903 will govern the procedures for opening Monthly Options Series, respectively. This is consistent with language in current Rule 903 for other Short Term Options Series and Quarterly Options Series. Consistent with this proposal, the Exchange proposes to adopt a definition of Monthly options Series. See proposed Rule 1.1.

⁶ The Exchange's proposal is based on CBOE's approved rule change, see *supra* note 4. The Exchange notes that other options exchanges have since adopted similar programs. See, e.g., Securities Exchange Act Release No. 98973 (November 16, 2023) 88 FR 81495 (November 22, 2023) (SR-
