SUPPLEMENTARY INFORMATION:

Title: Capital Magnet Fund Performance Report.

OMB Number: 1559–NEW.

Type of Review: Regular Review.

Abstract: The Capital Magnet Fund was established through the Housing and Economic Recovery Act of 2008 (HERA) (Pub. L. 110–289), as a competitive grant program administered by the CDFI Fund. Through CMF, the CDFI Fund provides financial assistance grants to Certified Community Development Financial Institutions (CDFIs) and qualified Nonprofit Organizations that have the

development or management of Affordable Housing, as defined in 12 CFR 1807, as one of their principal purposes. Capitalized terms not defined in this Notice (other than titles) have the meaning set forth in the CMF Interim Rule (12 CFR 1807). CMF Awards must be used to attract private financing for and increase investment in: (i) the Development, Preservation, Rehabilitation, and Purchase of Affordable Housing for primarily Extremely Low-, Very Low-, and Low-Income Families; and (ii) Economic Development Activities which, in conjunction with Affordable Housing Activities, will implement a Concerted Strategy to stabilize or revitalize a Low-Income Area or an Underserved Rural Area. CMF Award Recipients enter into Assistance Agreements with the CDFI Fund that set forth required terms and conditions of the Award, including reporting and data collection requirements. The Assistance Agreement requires the submission of an annual CMF Performance Report. The information collected in the CMF Performance Report is reviewed to ensure the Recipient’s compliance with its Performance Goals and contractual obligations, as well as the overall performance of the program. Data collected through the CMF Performance Report consists of three categories of data: (1) mandatory data points, (2) conditionally required data points based on project characteristics, financing type or other condition, and (3) optional data points. For most compliance measures, AMIS calculates whether the Recipient is compliant or noncompliant based on the data reported into the system. When the system determines that a noncompliance has occurred, the Recipient is required to complete an explanation of noncompliance prior to submitting the report to the CDFI Fund. This notice requests PRA approval for the CMF Performance Report. This report is a modified version of the previous CMF Performance Report, which was under OMB Number 1559–0036.

Estimated Number of Respondents: 330.

Estimated Annual Time per Respondent: 20 hours.

Estimated Annual Burden Hours: 6,600 hours.

Request for Comments: Comments submitted in response to this Notice will be summarized and/or included in the request for Office of Management and Budget approval. All comments will become a matter of public record and may be published on the CDFI Fund website at <https://www.cdfifund.gov>. The CDFI Fund is seeking input on the
