DEPARTMENT OF COMMERCE

International Trade Administration

[C-570-173]

Vanillin From the People's Republic of China: Initiation of Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable June 25, 2024.

FOR FURTHER INFORMATION CONTACT: Jeff Pedersen, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2769.

SUPPLEMENTARY INFORMATION:

The Petition

On June 5, 2024, the U.S. Department of Commerce (Commerce) received a countervailing duty (CVD) petition concerning imports of vanillin from the People's Republic of China (China) filed in proper form on behalf of Solvay USA LLC (the petitioner), a domestic producer of vanillin.¹ The Petition was accompanied by an antidumping duty (AD) petition concerning imports of vanillin from China.²

On June 7, 14, and 18, 2024, Commerce requested supplemental information from the petitioner regarding the Petition, to which the petitioner responded on June 11, 18, and 21, 2024, respectively.³

¹ See Petitioner's Letter, "Petitions for the Imposition of Antidumping and Countervailing Duties" dated June 5, 2024 (Petition).

² *Id.*

³ See Commerce's Letters, "Supplemental Questions," dated June 7, 2024 (First General Issues Questionnaire); "Supplemental Questions," dated June 14, 2024, and "Supplemental Questions," dated June 18, 2024; see also Memorandum, "Phone Call with Counsel to the Petitioner," dated June 17, 2024 (June 17 Memorandum); see also Petitioner's Letters, "Petitioner's Response to Supplemental Questions Regarding Common Issues and Injury Volume I of the Petitions," dated June 11, 2024 (First General Issues Supplement); "Petitioner's Response to Supplemental Questions Regarding Common Issues and Injury Volume I of the Petitions" dated June 18, 2024 (Second General Issues Supplement); and "Petitioner's Response to Supplemental Questions Regarding Countervailing Duties Allegations Volume III of the Petitions," dated June 21, 2024.

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), the petitioner alleges that the Government of China (GOC) is providing countervailable subsidies, within the meaning of sections 701 and 771(5) of the Act, to Chinese producers of vanillin, and that such imports are materially injuring, or threatening material injury to, the industry producing vanillin in the United States. Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), the alleged programs for which we are initiating this CVD investigation are supported by information in the Petition that is reasonably available to the petitioner.

Commerce finds that the petitioner filed the Petition on behalf of the domestic industry because the petitioner is an interested party as defined in section 771(9)(C) of the Act. Commerce also finds that the petitioner demonstrated sufficient industry support with respect to the initiation of the requested CVD investigation.⁴

Period of Investigation

Because the Petition was filed on June 5, 2024, the period of investigation (POI) is January 1, 2023, through December 31, 2023.⁵

Scope of the Investigation

The merchandise covered by this investigation is vanillin from China. For a full description of the scope of this investigation, see the appendix to this notice.

Comments on Scope of the Investigation

Between June 7 and June 17, 2024, Commerce requested information and clarification from the petitioner regarding the proposed scope to ensure that the scope language in the Petition is an accurate reflection of the products for which the domestic industry is seeking relief.⁶ Between June 11 and 18, 2024, the petitioner provided clarifications and revised the scope language.⁷ The description of merchandise covered by this investigation, as described in the appendix to this notice, reflects these clarifications.

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for parties to raise issues
