Estimated Annual Reporting Burden on Respondents: 435 hours.

Estimated Total Annual Burden on Respondents: 435 hours.

Abstract: The RUS Form 87 is used for both the Rural Utilities Service Electric and Telecommunications programs to obtain the names and addresses of the borrowers' officials with whom they must communicate directly in order to administer the Agency's lending programs. Changes occurring at the borrower's annual meeting (e.g. the selection of board members, managers, attorneys, certified public accountants or other officials) make necessary the collection of information.

Comments are invited on:

(a) whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility.

(b) the accuracy of the Agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used.

(c) ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) ways to minimize the burden of the collection of information on respondents, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. All responses to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record.

Copies of this information collection can be obtained from Lisa Day, Innovation Center, Regulations Management Division, at (971) 313.4750. Email: Lisa.Day@USDA.GOV.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Andrew Berke,

Administrator, Rural Utilities Service.
