AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed settlement agreement; request for public comment.

SUMMARY: The U.S. Environmental Protection Agency ("EPA") is hereby providing notice of a proposed prospective purchaser settlement agreement between EPA and prospective purchaser Wilmington Woburn Industrial, LLC ("Settling Party"), which has an agreement to acquire the property located at 51 Eames Street in Wilmington, Middlesex County, Massachusetts, encompassing approximately 50 acres ("Property"), from Olin Corporation ("Contract"), embodied in an Administrative Agreement for Payment of Response Costs by Prospective Purchaser ("Settlement Agreement"). The proposed Settlement Agreement, EPA Region 1 CERCLA Docket No. 01-2024-0015, pertains to the Olin Chemical Superfund Site in Wilmington, Massachusetts ("Site") and the Property, which is a portion of the Site. The proposed Settlement Agreement is entered into pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA," also known as the Superfund law), and the authority of the Attorney General of the United States to compromise and settle claims of the United States.

American Biltrite Inc., et al.* case (1:23-cv-11044), in which American Biltrite Inc., NOR-AM Agro LLC, Olin Corporation, and Stepan Company ("Settling Defendants") agreed to implement the remedy selected in the Record of Decision issued by EPA for the Site on March 30, 2021 ("Record of Decision"). The proposed Settlement Agreement requires the Settling Party to provide full cooperation, assistance, and access to persons authorized to conduct response actions at the Property, including Settling Defendants' implementation, under EPA oversight, of the remedy embodied in the Record of Decision in accordance with the Consent Decree. The proposed Settlement Agreement also requires the Settling Party to perform certain remedial design and remedial action activities pursuant to the Contract in coordination with Settling Defendants and in accordance with the terms of the Consent Decree and associated Statement of Work. Under the proposed Settlement Agreement, the Settling Party will make a payment to EPA of \$73,202.39 as well as pay EPA for future

costs in supporting, developing, implementing, overseeing, or enforcing the Agreement. The Settling Party consents to and will not contest the authority of the United States to enter into this proposed Settlement Agreement or to implement or enforce its terms. The Settling Party recognizes that this proposed Settlement Agreement has been negotiated in good faith and that this Agreement is entered into without the admission or adjudication of any issue of fact or law.
