Any party submitting factual information in an AD or CVD proceeding must certify to the accuracy and completeness of that information using the formats provided at the end of the *Final Rule*.¹⁷ Commerce intends to reject factual submissions in any proceeding segments if the submitting party does not comply with applicable certification requirements.

Extension of Time Limits Regulation

Parties may request an extension of time limits before a time limit established under Part 351 expires, or as otherwise specified by Commerce.¹⁸ In general, an extension request will be considered untimely if it is filed after the time limit established under Part 351 expires. For submissions which are due from multiple parties simultaneously, an extension request will be considered untimely if it is filed after 10:00 a.m. on the due date. Examples include, but are not limited to: (1) case and rebuttal briefs, filed pursuant to 19 CFR 351.309; (2) factual information to value factors under 19 CFR 351.408(c), or to measure the adequacy of remuneration under 19 CFR 351.511(a)(2), filed pursuant to 19 CFR 351.301(c)(3) and rebuttal, clarification

Assessment Rates

Upon completion of this administrative review, pursuant to section 751(a)(2)(A) of the Act, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.

Pursuant to 19 CFR 351.212(b)(1), we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of those sales. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.¹⁴

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by TYCSA for which the company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate established in the less-than-fair-value (LTFV) investigation (*i.e.*, 14.75 percent)¹⁵ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided

¹⁴ See section 751(a)(2)(C) of the Act.

¹⁵ See *Order*.

¹⁶ For a full description of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed above will be equal to the weighted average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 14.75 percent, the all-others rate established in the LTFV investigation.¹⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: June 28, 2024.

Ryan Majerus,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

We are also rescinding the review with respect to certain companies that had no entries of the subject merchandise during the POR. We invite interested parties to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On August 3, 2023, Commerce initiated an administrative review of the antidumping duty order on raw honey from Brazil, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).¹ This review covers 23 companies.² On August 29, 2023, Commerce selected Apis Nativa Agroindustrial Exportadora Ltda. (Apis Nativa) and Melbras Importadora E Exportadora Agroindustrial Ltda. (Melbras) for individual examination as mandatory respondents.³

On February 14, 2024, Commerce extended the time limit for completing the preliminary results of this review until June 28, 2024.⁴ For details regarding the events that occurred subsequent to the initiation of the

review, see the Preliminary Decision Memorandum.⁵

Scope of the Order

The product covered by the scope of this Order is raw honey from Brazil. A complete description of the scope of the Order is contained in the Preliminary Decision Memorandum.⁶

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR subject to the antidumping duty order for which liquidation is suspended, Commerce may rescind an administrative review, in whole or only with respect to a particular exporter or producer.⁷

At the end of the administrative review, any suspended entries are liquidated at the assessment rate computed for the review period.⁸ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate. On May 20, 2024, Commerce notified all interested parties of its intent to rescind this review with respect to certain companies because those companies had no reviewable, suspended entries of subject merchandise and invited parties to comment.⁹ We received no comments on our intent to rescind the review with respect to these companies. Accordingly, pursuant to 19 CFR 351.213(d)(3) and (d)(4), we are rescinding this administrative review with respect to the five companies listed in Appendix III to this notice that had no reviewable, suspended entries of subject merchandise during the POR.¹⁰

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. We calculated export price and
