

laws under which such actions were taken are described in the Final Environmental Assessment (EA), the Finding of No Significant Impact (FONSI) issued on March 5, 2024, and other documents in the TxDOT project file. The EA, FONSI, and other documents in the TxDOT project file are available by contacting the TxDOT Bryan District Office at 2591 North Earl Rudder Freeway, Bryan, Texas 77803; telephone: (979) 778-2165.

11. FM 2185 Extension from Looney Spur Road to FM 3541, Culberson County, Texas. The project will extend FM 2185 and reconstruct parts of existing facilities as a “Super 2” roadway. A Super 2 roadway is a two-lane rural highway with periodic passing lanes. The project will extend for a total of 29.66 miles, starting from approximately 750 feet south of the intersection with Looney Spur Road and traversing along Smileys Road for approximately 4.89 miles, branching off onto Weatherby Road and following Weatherby Road for approximately 9.64 miles before branching off at the Nevel Road intersection. The project will then continue for approximately 9.22 miles onto an area that was not previously used for transportation before connecting to Rustler Springs Road and will follow Rustler Springs Road for approximately 5.91 miles before ending at FM 3541, which is approximately 6.19 miles south of RM 652. The Super 2 roadway will consist of one 12-foot-wide travel lane in each direction with a 12-foot-wide passing lane along alternating sides of the roadway. Directions of travel will be separated by a 2-foot-wide, flush at-grade median, and 10-foot-wide shoulders will be constructed along both sides of the roadway. Drainage will continue to consist of an open ditch drainage system, with a 6-foot-wide drainage ditch along alternating sides of the roadway. Twenty-one bridge-class culverts and 43 non-bridge-class culverts are proposed as part of the FM 2185 drainage system. The actions by TxDOT and Federal agencies and the laws under which such actions were taken are described in the Final Environmental Assessment (EA), the Finding of No Significant Impact (FONSI) issued on March 5, 2024, and other documents in the TxDOT project file. The EA, FONSI, and other documents in the TxDOT project file are available by contacting the TxDOT El Paso District Office at 13301 Gateway West, El Paso, Texas 79928; telephone: (915) 790-4341.

12. US 80 From FM 460 to Spur 557 and Spur 557 From US 80 to IH 20, Kaufman County, Texas. The project

includes reconstructing US 80, from FM 460 to Spur 557, and Spur 557, from US 80 to IH 20, from a four-lane divided highway to a six-lane divided highway. The improvements consist of three 12-foot-wide travel lanes with typical ten-foot inside shoulders in each direction divided by a concrete barrier along the centerline. The improvements will also include one-way continuous two-lane frontage roads in each direction with ramp improvements that connect frontage roads to mainlanes with an auxiliary lane. Pedestrian and bicycle accommodations are proposed to include ten-foot shared use paths on the outside of the frontage roads in each direction. The project is approximately 12 miles in length. The actions by TxDOT and Federal agencies and the laws under which such actions were taken are described in the Final Environmental Assessment (EA), the Finding of No Significant Impact (FONSI) issued on April 3, 2024, and other documents in the TxDOT project file. The EA, FONSI, and other documents in the TxDOT project file are available by contacting the TxDOT Dallas District Office at 4777 E Highway 80, Mesquite, Texas 75150; telephone: (214) 320-4480.

13. SL 1853 Madisonville Loop from SH 21 approximately 0.7 miles east of FM 1452 to SH 21 approximately 0.4 miles west of FM 2346, Madison County, Texas. The project will provide a limited access, new location roadway around the south side of the City of Madisonville. It will include two 12-foot-wide travel lanes in each direction separated by a 68-foot-wide grassy median. The travel lanes will be bounded by 4-foot wide inside and 10-foot-wide outside shoulders. Through the Caney Creek floodplain, the 68-foot-wide grassy median would be replaced by a concrete median barrier and 10-foot-wide inside shoulders on each side. Construction will also occur along US 190/SH 21 to provide turning lanes onto the new roadway, and along Interstate Highway (IH) 45, where new ramps will provide access to and from the proposed roadway. There will be grade separations at the crossings of SH 90, SH 75, IH 45, Pee Dee Lane, and the Caney Creek floodplain. No dedicated bicycle or pedestrian accommodations would be constructed as part of the proposed project. Drainage along the new roadway will be provided via open ditches. The project length is approximately 7.5 miles. The actions by TxDOT and Federal agencies and the laws under which such actions were taken are described in the Final Environmental Assessment (EA), the

Finding of No Significant Impact (FONSI) issued on April 15, 2024, and other documents in the TxDOT project file. The EA, FONSI, and other documents in the TxDOT project file are available by contacting the TxDOT Bryan District Office at 2591 North Earl Rudder Freeway, Bryan, Texas 77803; telephone: (979) 778-2165.

Authority: 23 U.S.C. 139(l)(1).

Michael T. Leary,
Director, Planning and Program Development,
Federal Highway Administration.

BILLING CODE 4910-22-P

DEPARTMENT OF TRANSPORTATION

Maritime Administration

[Docket No. MARAD-2024-0088]

Coastwise Endorsement Eligibility Determination for a Foreign-Built Vessel: SERENDIPITY (MOTOR); Invitation for Public Comments

AGENCY: Maritime Administration, DOT.

ACTION: Notice.

SUMMARY: The Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to issue coastwise endorsement eligibility determinations for foreign-built vessels which will carry no more than twelve passengers for hire. A request for such a determination has been received by MARAD. By this notice, MARAD seeks comments from interested parties as to any effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. Information about the requestor's vessel, including a brief description of the proposed service, is listed below.

DATES: Submit comments on or before August 7, 2024.

ADDRESSES: You may submit comments identified by DOT Docket Number MARAD-2024-0088 by any one of the following methods:

- *Federal eRulemaking Portal:* Go to <https://www.regulations.gov>. Search MARAD-2024-0088 and follow the instructions for submitting comments.

- *Mail or Hand Delivery:* Docket Management Facility is in the West Building, Ground Floor of the U.S. Department of Transportation. The Docket Management Facility location address is U.S. Department of Transportation, MARAD-2024-0088, 1200 New Jersey Avenue SE, West Building, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m.,

Monday through Friday, except on Federal holidays.

Note: If you mail or hand-deliver your comments, we recommend that you include your name and a mailing address, an email address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

Instructions: All submissions received must include the agency name and specific docket number. All comments received will be posted without change to the docket at www.regulations.gov, including any personal information provided. For detailed instructions on submitting comments, or to submit comments that are confidential in nature, see the section entitled Public Participation.

FOR FURTHER INFORMATION CONTACT: Patricia Hagerty, U.S. Department of Transportation, Maritime Administration, 1200 New Jersey Avenue SE, Room W23-461, Washington, DC 20590. Telephone: (202) 366-0903. Email: patricia.hagerty@dot.gov.

SUPPLEMENTARY INFORMATION: As described in the application, the intended service of the vessel SERENDIPITY is:

Intended Commercial Use of Vessel: Requester intends to offer passenger charters.

Geographic Region Including Base of Operations: Washington, Oregon, California. Base of Operations: Bellingham, Washington.

Vessel Length and Type: 74.9' motor yacht.

The complete application is available for review identified in the DOT docket as MARAD 2024-0088 at <https://www.regulations.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with 46 U.S.C. 12121 and MARAD's regulations at 46 CFR part 388, that the employment of the vessel in the coastwise trade to carry no more than 12 passengers will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, MARAD will not issue an approval of the vessel's coastwise endorsement eligibility. Comments should refer to the vessel name, state the commenter's interest in the application, and address the eligibility criteria given in section 388.4 of MARAD's regulations at 46 CFR part 388.

Public Participation

How do I submit comments?

Please submit your comments, including the attachments, following the instructions provided under the above heading entitled **ADDRESSES**. Be advised that it may take a few hours or even days for your comment to be reflected on the docket. In addition, your comments must be written in English. We encourage you to provide concise comments and you may attach additional documents as necessary. There is no limit on the length of the attachments.

Where do I go to read public comments, and find supporting information?

Go to the docket online at <https://www.regulations.gov>, keyword search MARAD-2024-0088 or visit the Docket Management Facility (see **ADDRESSES** for hours of operation). We recommend that you periodically check the Docket for new submissions and supporting material.

Will my comments be made available to the public?

Yes. Be aware that your entire comment, including your personal identifying information, will be made publicly available.

May I submit comments confidentially?

If you wish to submit comments under a claim of confidentiality, you should submit the information you claim to be confidential commercial information by email to SmallVessels@dot.gov. Include in the email subject heading "Contains Confidential Commercial Information" or "Contains CCI" and state in your submission, with specificity, the basis for any such confidential claim highlighting or denoting the CCI portions. If possible, please provide a summary of your submission that can be made available to the public.

In the event MARAD receives a Freedom of Information Act (FOIA) request for the information, procedures described in the Department's FOIA regulation at 49 CFR 7.29 will be followed. Only information that is ultimately determined to be confidential under those procedures will be exempt from disclosure under FOIA.

Privacy Act

Anyone can search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). For information on DOT's

compliance with the Privacy Act, please visit <https://www.transportation.gov/privacy>.

(Authority: 49 CFR 1.93(a), 46 U.S.C. 55103, 46 U.S.C. 12121)

By Order of the Maritime Administrator.

T. Mitchell Hudson, Jr.,

Secretary, Maritime Administration.
