**SUPPLEMENTARY INFORMATION:** The  
Department, in accordance with the

Paperwork Reduction Act of 1995 (PRA)  
(44 U.S.C. 3506(c)(2)(A)), provides the  
general public and Federal agencies  
with an opportunity to comment on  
proposed, revised, and continuing  
collections of information. This helps  
the Department assess the impact of its  
information collection requirements and  
minimize the public's reporting burden.  
It also helps the public understand the  
Department's information collection  
requirements and provide the requested  
data in the desired format. The  
Department is soliciting comments on  
the proposed information collection  
request (ICR) that is described below.  
The Department is especially interested  
in public comment addressing the  
following issues: (1) is this collection  
necessary to the proper functions of the  
Department; (2) will this information be  
processed and used in a timely manner;  
(3) is the estimate of burden accurate;  
(4) how might the Department enhance  
the quality, utility, and clarity of the  
information to be collected; and (5) how  
might the Department minimize the  
burden of this collection on the  
respondents, including through the use  
of information technology. Please note  
that written comments received in  
response to this notice will be  
considered public records.

*Title of Collection:* Higher Education  
Emergency Relief Fund (HEERF) I, II  
and III Data Collection Form.

*OMB Control Number:* 1840-0850.

*Type of Review:* Revision of a  
currently approved ICR.

*Respondents/Affected Public:* State,  
Local, and Tribal Governments; Private  
Sector.

*Total Estimated Number of Annual  
Responses:* 270.

*Total Estimated Number of Annual  
Burden Hours:* 2,160.

*Abstract:* Under the current  
unprecedented national health  
emergency, the legislative and executive  
branches of government have come  
together to offer relief to those  
individuals and industries affected by  
the COVID-19 virus under the  
Coronavirus Aid, Relief, and Economic  
Security (CARES) Act, the Coronavirus  
Response and Relief Supplemental  
Appropriations Act (CRRSAA), and the  
American Rescue Plan (ARP). In each of  
these statutes, targeted relief to  
institutions of higher education (IHEs)  
was made available under the Higher  
Education Emergency Relief Fund  
(HEERF). HEERF, originally established  
by section 18004(a) of the CARES Act,  
Public Law 116-136 (March 27, 2020)  
and expanded through CRRSAA and  
ARP, authorizes the Secretary of  
Education to allocate formula grant

funds to participating IHEs to address  
impacts of the COVID-19 virus.

This information collection requests  
approval for a revision to a previously  
approved collection that includes  
annual reporting requirements to  
comply with the requirements of the  
HEERF program and obtain information  
on how the funds were used. The  
revision simplifies the collection by  
substantially reducing the number of  
items because specific grant activities  
within HEERF have expired and many  
of the items have become moot. In  
accordance with the Recipients Funding  
Certification and Agreements executed  
by HEERF grantees, the Secretary may  
specify additional forms of reporting.

**Title of Collection:** Indian Education Professional Development Grants Program: GPRA and Service Payback Data Collection.

**OMB Control Number:** 1810–0698.

**Type of Review:** Extension without change of a currently approved ICR.

**Respondents/Affected Public:** Individuals or Households; State, Local, and Tribal Governments.

**Total Estimated Number of Annual Responses:** 2,634.

**Total Estimated Number of Annual Burden Hours:** 3,630.

**Abstract:** The Indian Education Professional Development program, authorized under title VI, part A of the Elementary and Secondary Education Act of 1965, as amended (ESEA), is designed to increase the number of, provide training to, and improve the skills of American Indian or Alaska Natives serving as teachers and school administrators in local educational agencies that serve a high proportion of American Indian or Alaska Native students. This is a request for renewal of a currently approved collection.

Section 7122(h) of the ESEA (20 U.S.C. 7442(h)) requires that individuals who receive financial assistance through the Indian Education Professional Development program subsequently complete a service obligation equivalent to the amount of time for which the participant received financial assistance. Participants who do not satisfy the requirements of the regulations must repay all or a pro-rated part of the cost of assistance, in accordance with 20 U.S.C. 7442(h) and 34 CFR 263.9(a)(3). The regulations in part 263 implement requirements governing, among other things, the service obligation and reporting requirements of the participants in the Indian Education Professional Development program, and repayment of financial assistance by these participants. In order for the Federal Government to ensure that the goals of the program are achieved, certain data collection, recordkeeping, and documentation are necessary.

In addition, GPRA requires Federal agencies to establish performance measures for all programs, and the Department has established performance measures for the Indian Education Professional Development program. Data collection from participants who have received financial assistance under the Indian Education Professional Development program is a necessary element of the Department's effort to evaluate progress on these measures.

The Department tracks participants who are receiving or have previously received support through the Indian Education Professional Development program. Participants must sign a payback agreement that includes contact information. Additionally, the Department receives information about participants from institutions of higher education (IHEs) and other eligible grantees when participants are no longer receiving assistance through the Indian Education Professional Development program. When the performance period is complete, the participant data are

collected from the grantee and from the participants.
