## **SUPPLEMENTARY INFORMATION:**

### **I. Background**

Under the PRA and its implementing regulations (5 CFR part 1320), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor (e.g., contractually-required information collection by a third-party). “Collection of information,” within the meaning of the PRA, includes agency requests that pose identical questions to, or impose reporting or recording keeping obligations on, ten or more persons, regardless of whether response to such request is mandatory or voluntary. See 5 CFR 1320.3(c); see also 44 U.S.C. 3502(3). Before seeking clearance from OMB, agencies are generally required, among other things, to publish a 60-day notice in the **Federal Register** concerning any proposed information collection and provide an opportunity for comment. See 44 U.S.C. 3506(c)(2)(A); 5 CFR 1320.8(d)(1).

By practice, the Access Board provides in-person and virtual training to organizations across the United States, to include State and local agencies. The Access Board receives email requests for training which currently result in multiple communications with the requestor to determine if the Access Board is able to
